# STAFF

Dear Westview Students,

In my second year As Principal of Westview Centennial, I can still say that there is no place I'd rather be. Each day as I witness the relationships between staff, students, parents, and our greater community, I am inspired and filled with thanks. The word that I will use to describe all of you is RESILIENT. No matter what you faced this year, you continued to remain positive, focussed, strong, and true to who you are. YOU ARE WESTVIEW. Please know that I AM SO PROUD OF ALL OF YOU.

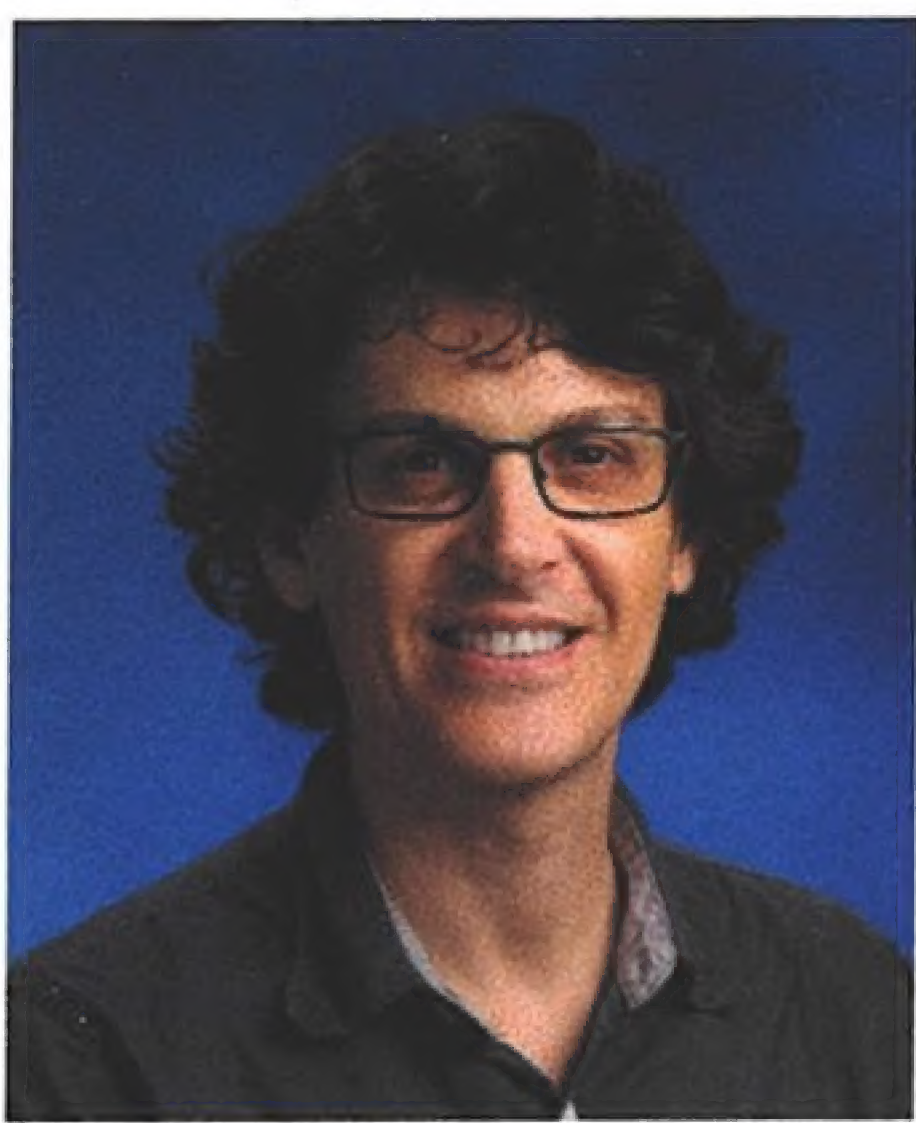

I would like to take a moment to thank the WESTVIEW TEACHERS for being real life SUPERHEROES. Each day your teachers set the highest expectations for you because they believe in you. Please know that your teachers are strong, talented, and brilliant individuals. Never take them for granted. I would like to take a moment to thank the WESTVIEW SUPPORT STAFF. They work tirelessly to create a school that truly feels like home. Each day I see the endless efforts that they take to create an environment that is warm and inviting. I say this often and I will say it again The Staff Members At Westview ARE TRULY AMAZING.

On a final note, I would like to thank all of you for the many ways that you continuously inspire, encourage me, and support one another. As you view this yearbook, know that THE SKY IS THE LIMIT. All things are possible when people believe in you and push you to reach your full potential. As this year has come to an end, please know that you will be missed over the summer. Enjoy your summer and make sure that you do not take one single day for granted. THANK YOU WESTVIEW FOR A YEAR THAT WAS TRULY TURNT UP!!!

WE ARE WESTVIEW!

The Welcome Back Assembly, starting off on the right foot!

# CATCH <sup>THE</sup> SPIRIT

THE DONUT EATING & PYJAMAS!

## PLAID DAY

# LEADING TO A BETTER FUTURE

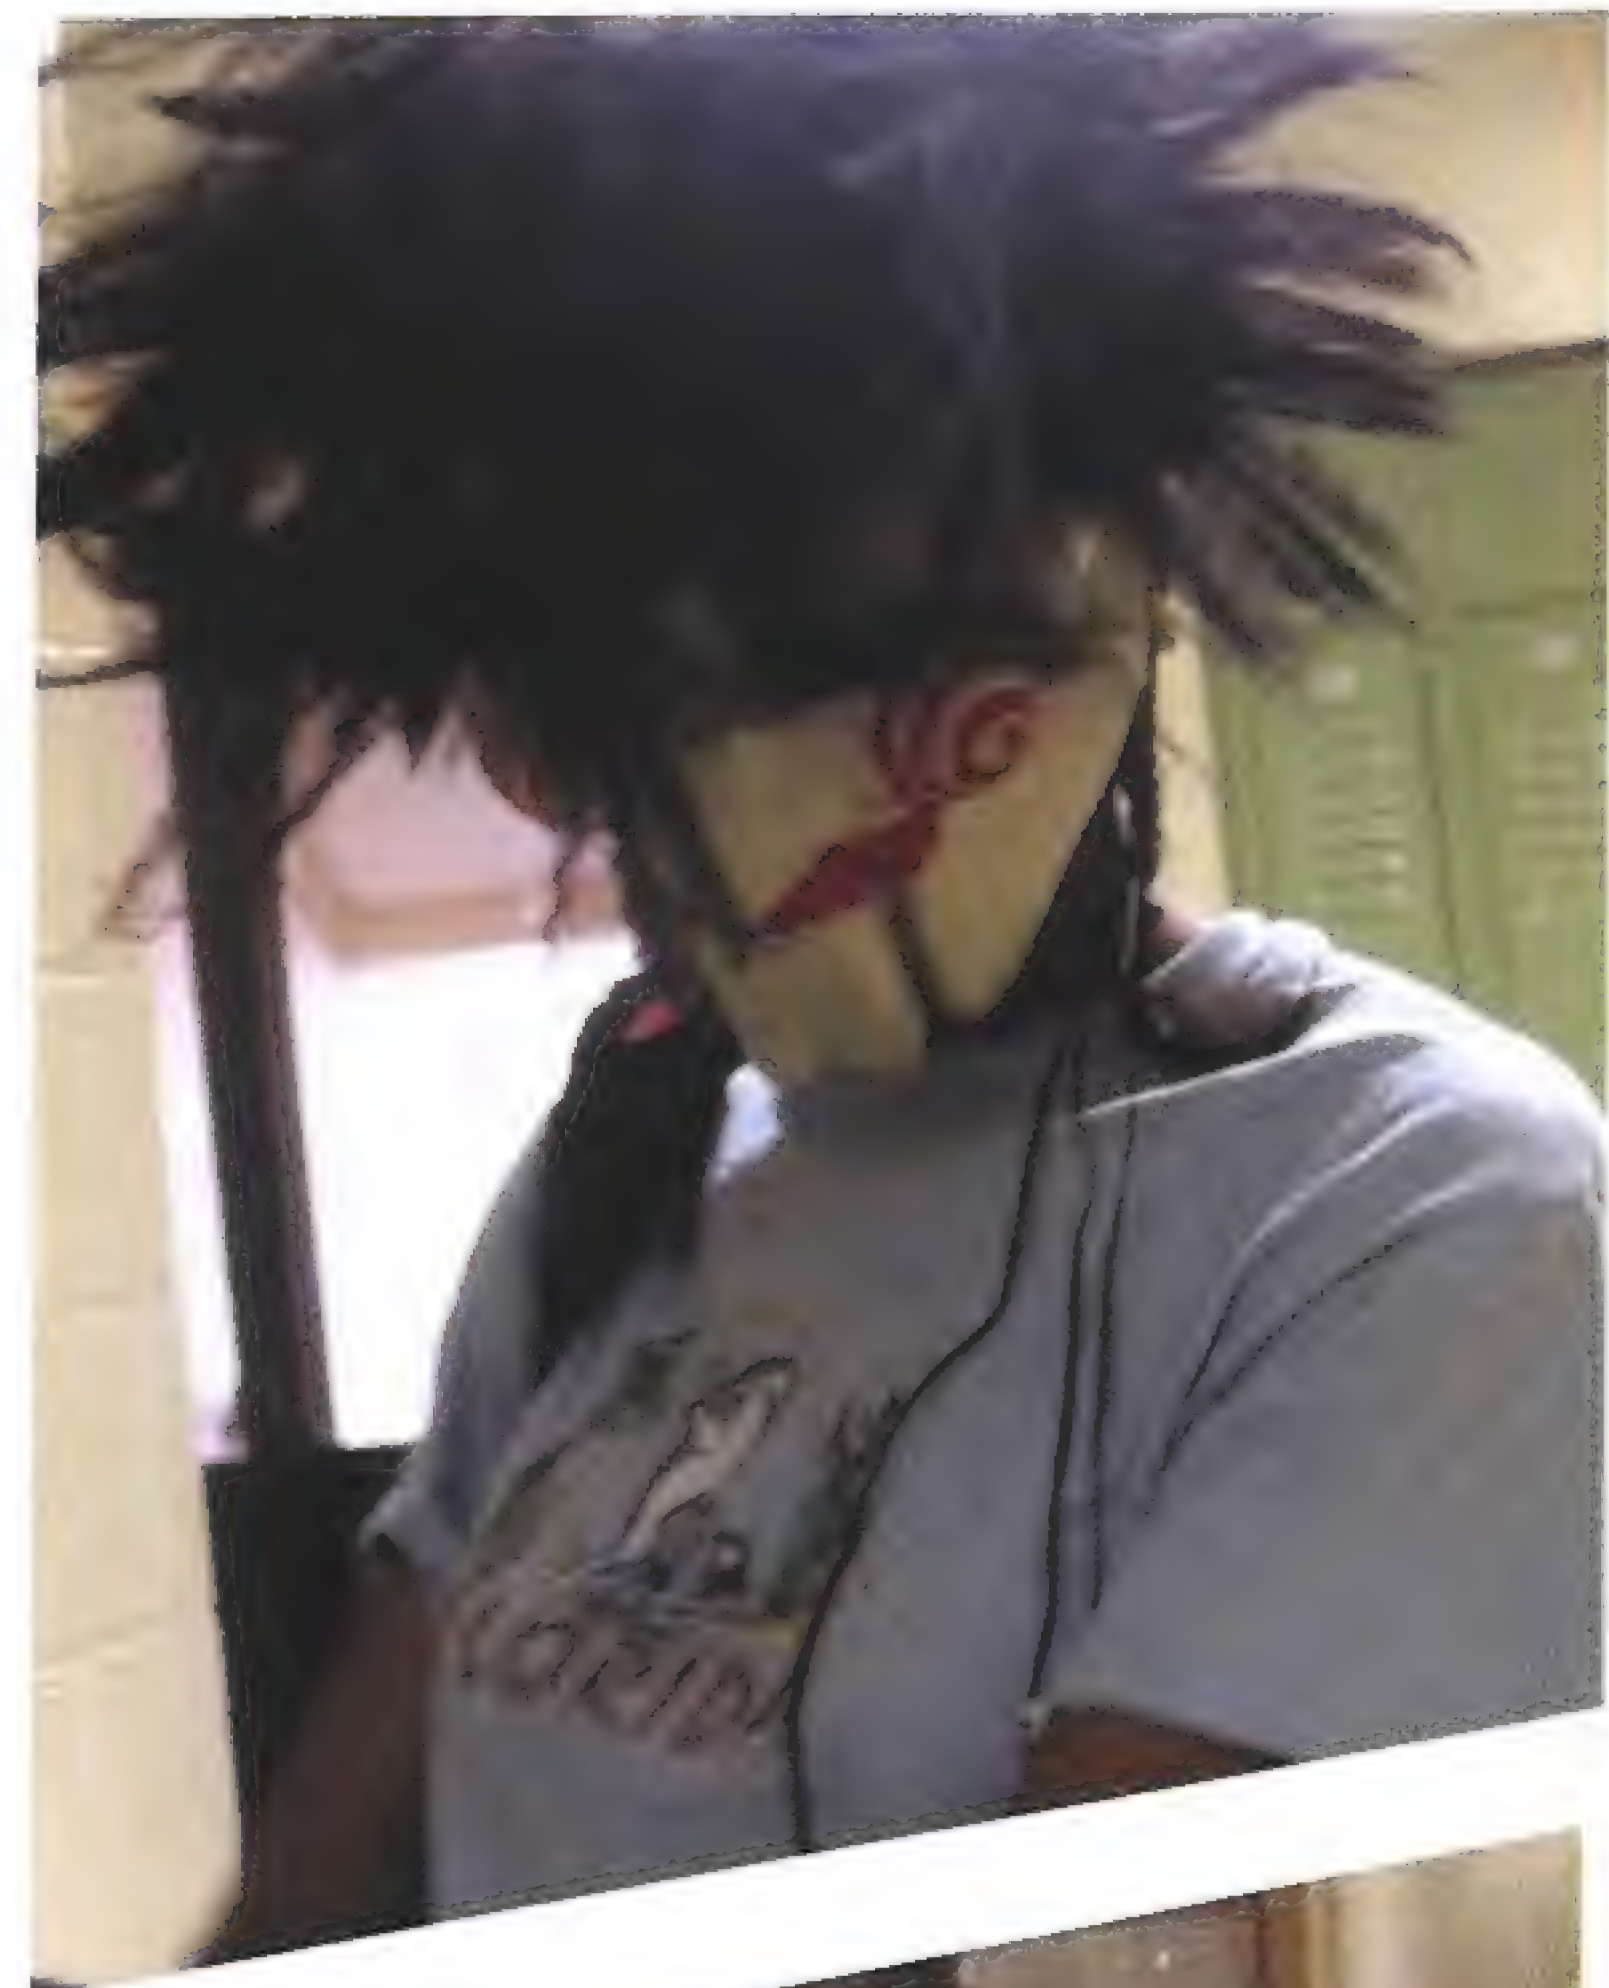

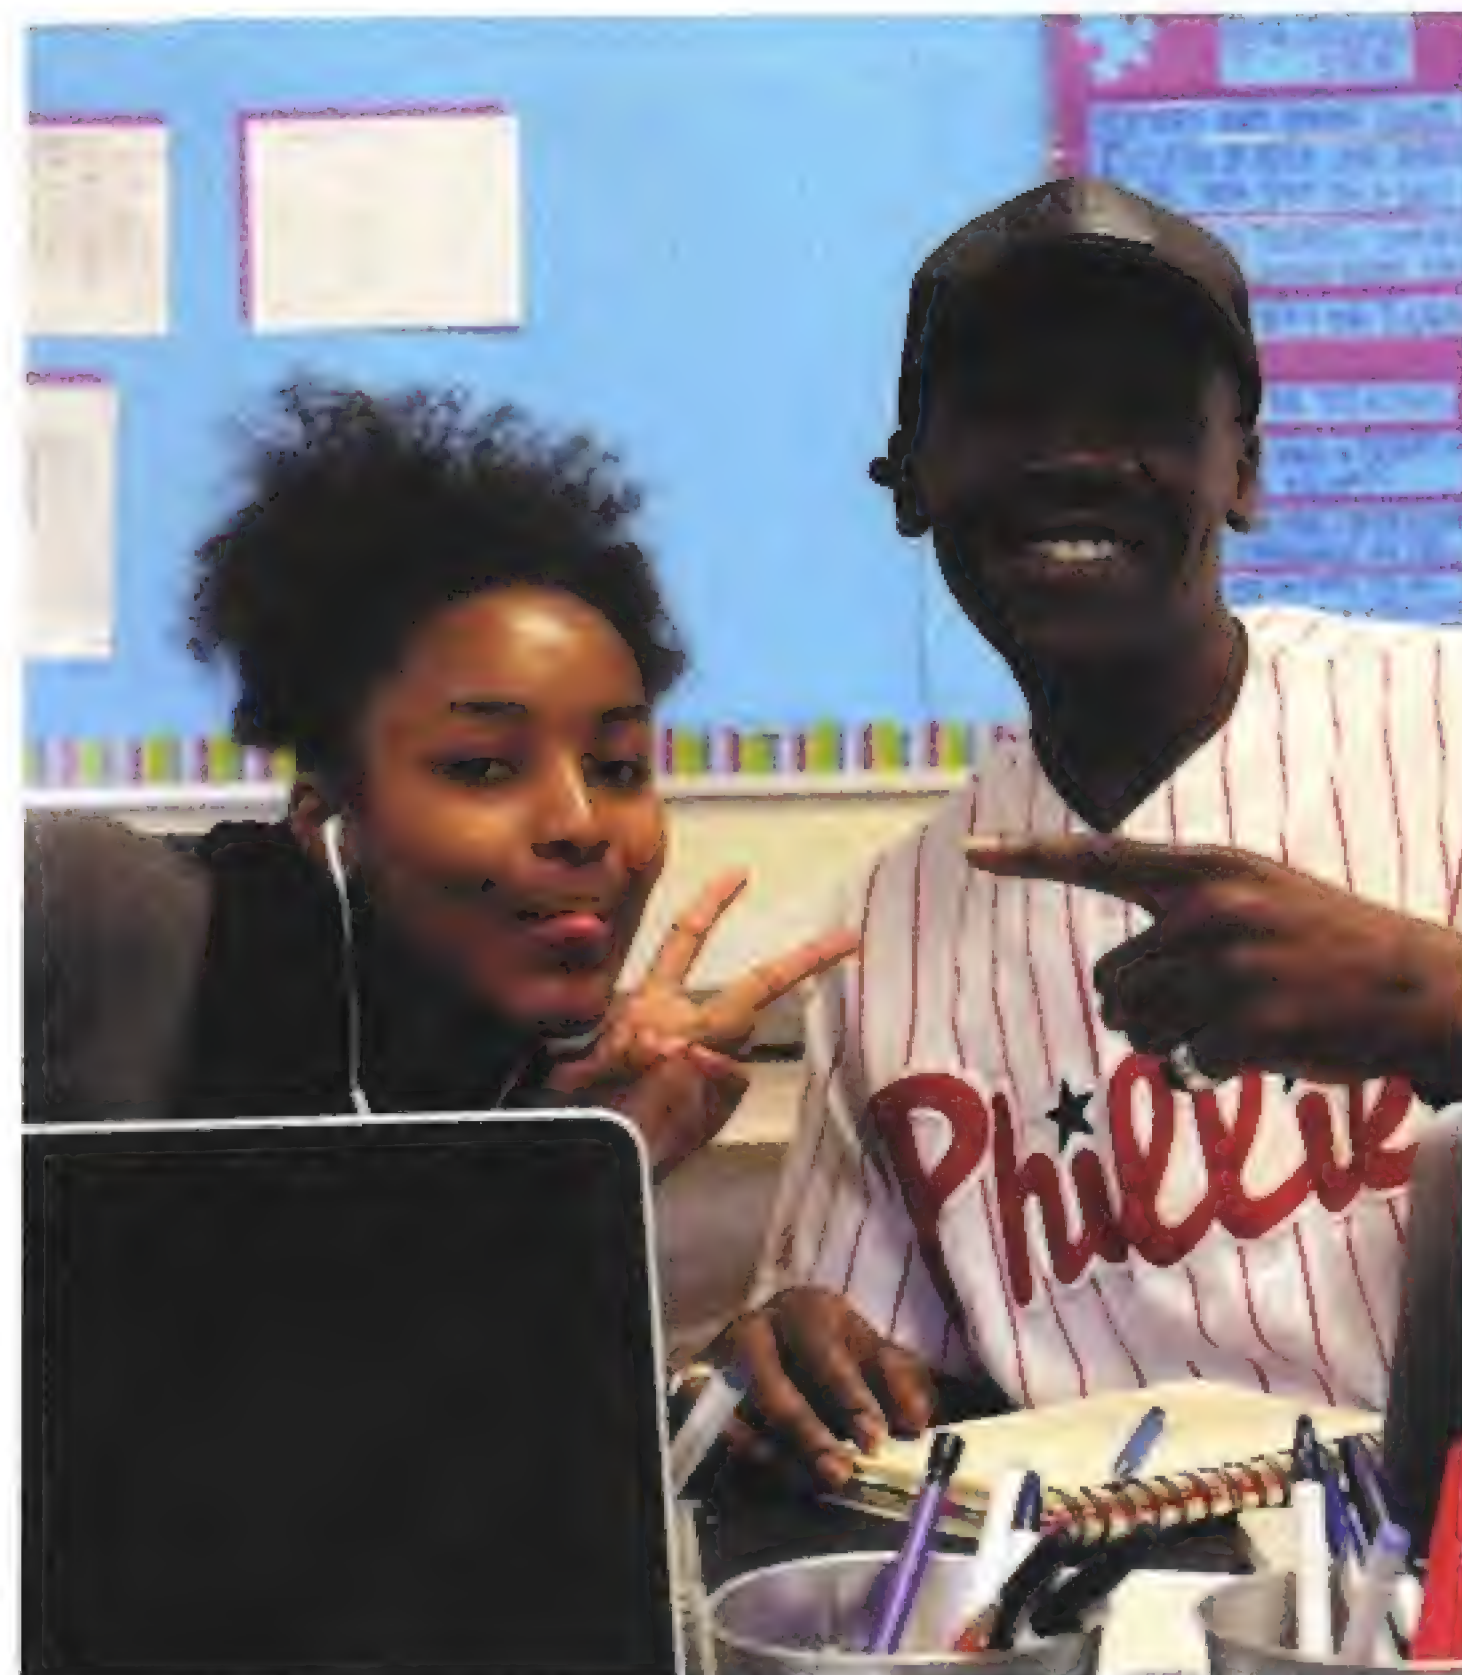

Generation Change has given students the opportunity to become mentors for younger students at Pinecrest Grade 10 Camp, while developing leadership skills, cooperation skills, meeting new people and having a fun time! At camp, students participated in many activities that involves team-building such as archery, rock-climbing, canoeing, mazes and much more. Because of this program, students were able to meet new people and do things they have never done before.

# FREAKY SH NATURES

Playing dress-up & mini candies! You couldn't ask for a better holiday!

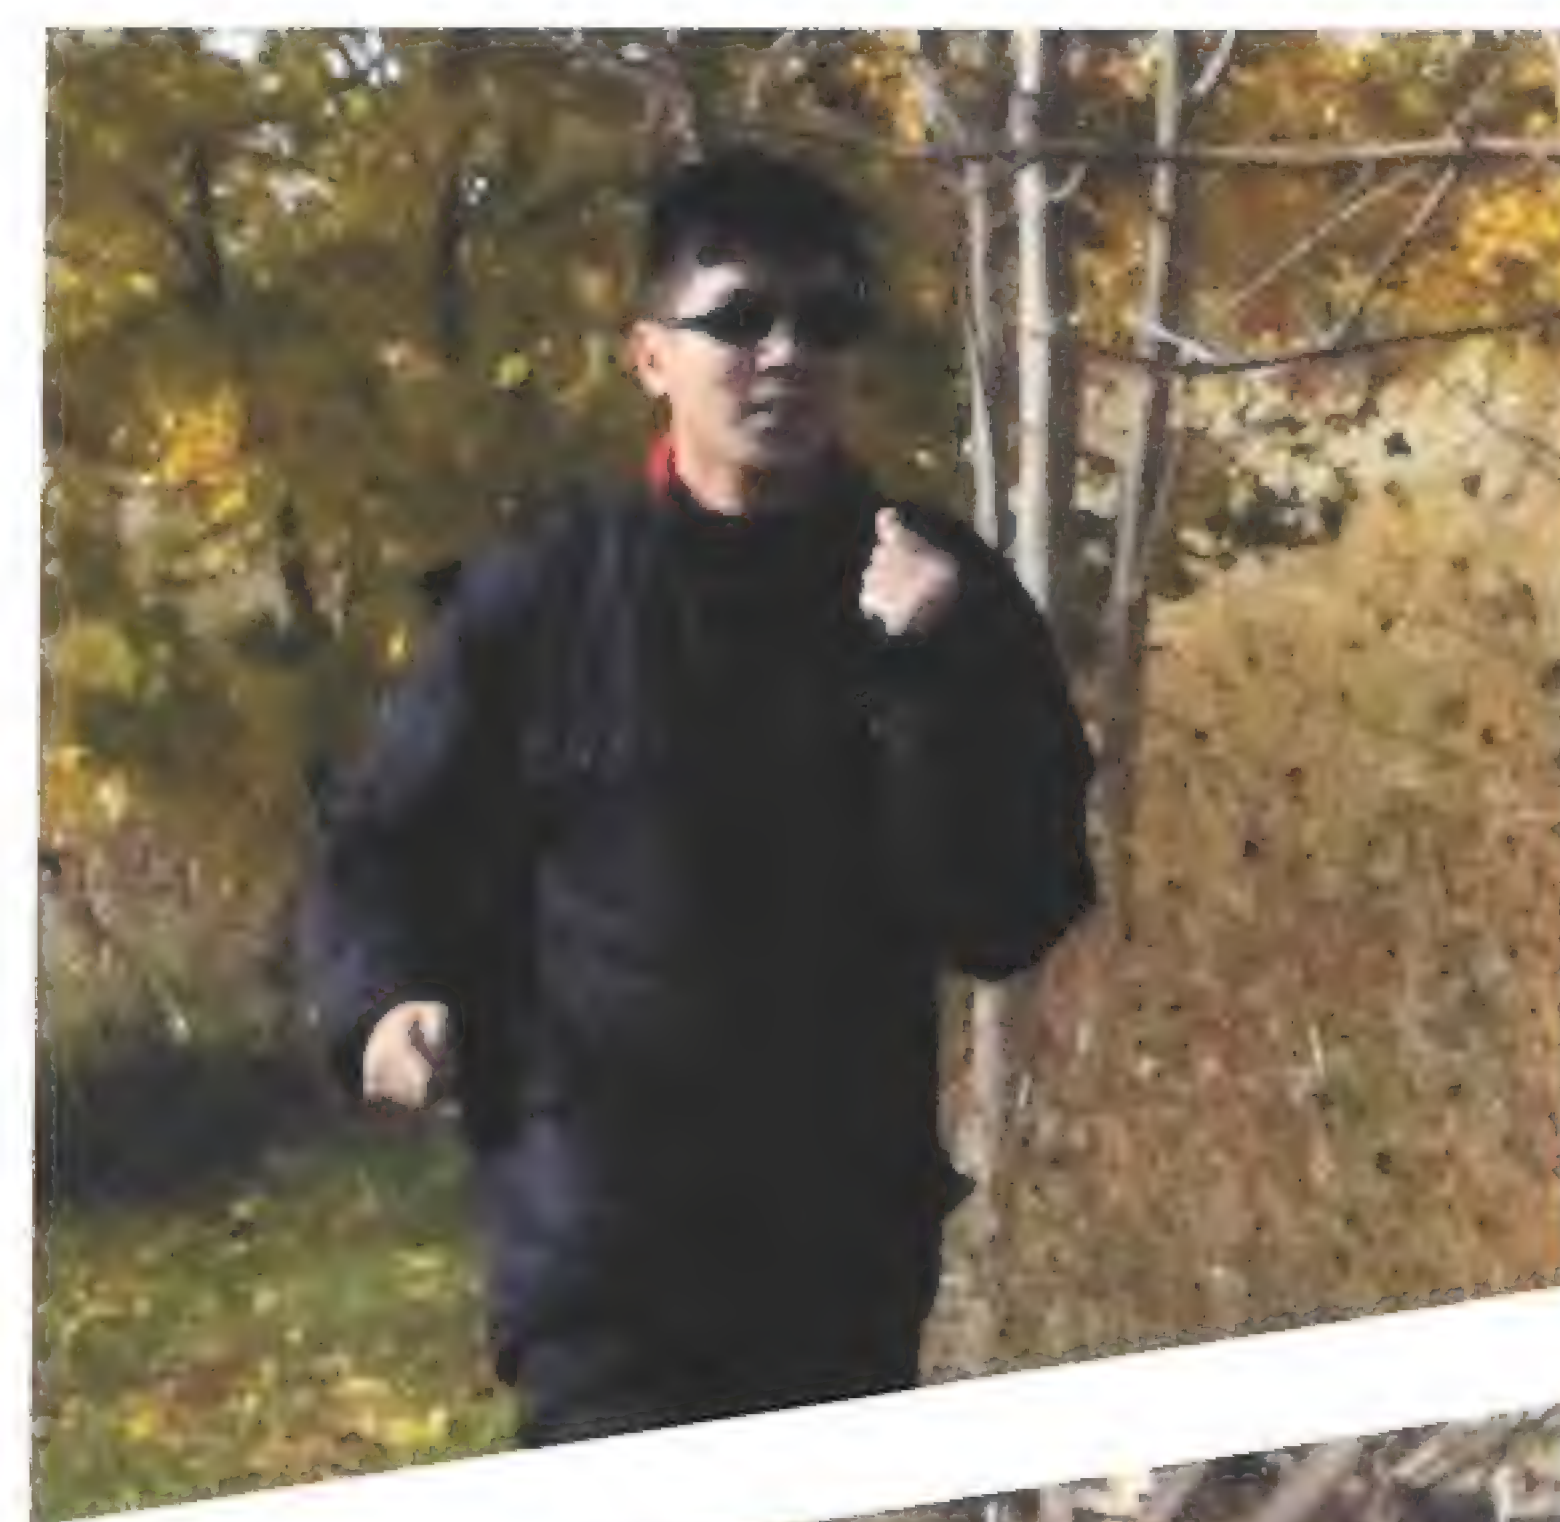

# THE MARATHON OF HOPE

*"Even if I don't finish, we need others to continue. It's got to keep going without me." ~ Terry Fox*

35 years later, staff and students continue to keep Terry's dream alive. W.A.C set-up our run around the neighbourhood, which lead to a rewarding day of collecting donations for a worthy cause!

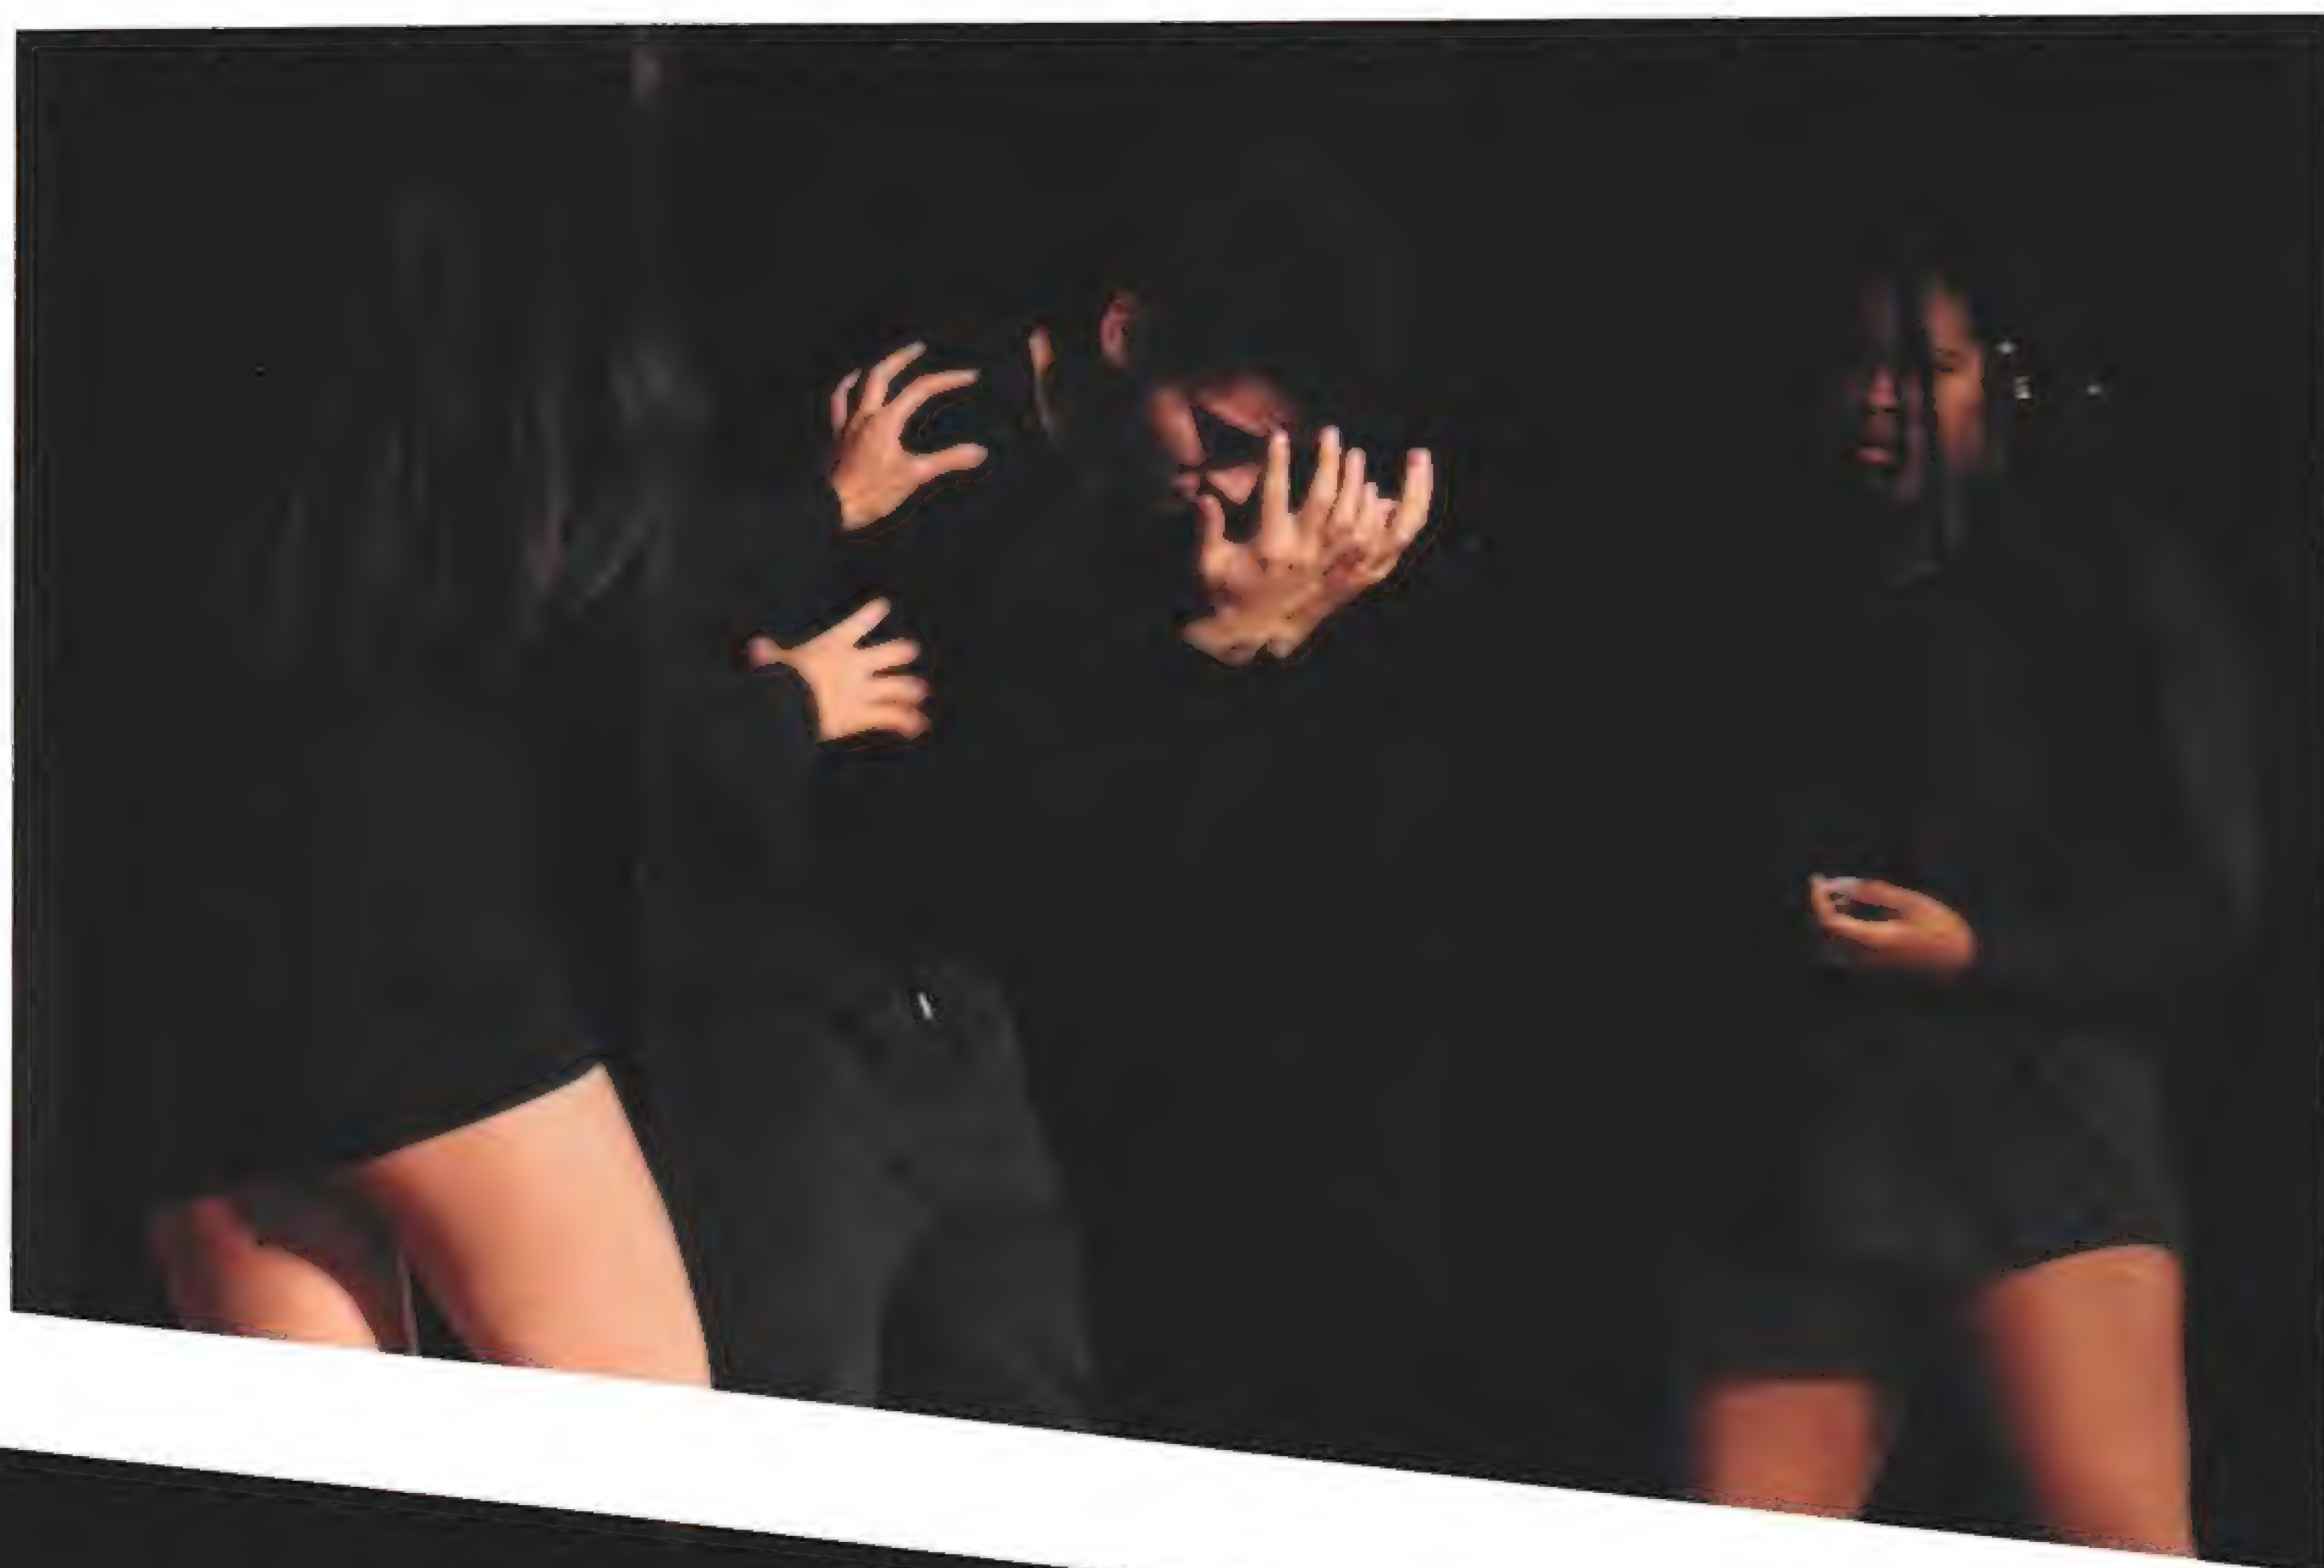

# ZEN MODE

Finding our inner peace!

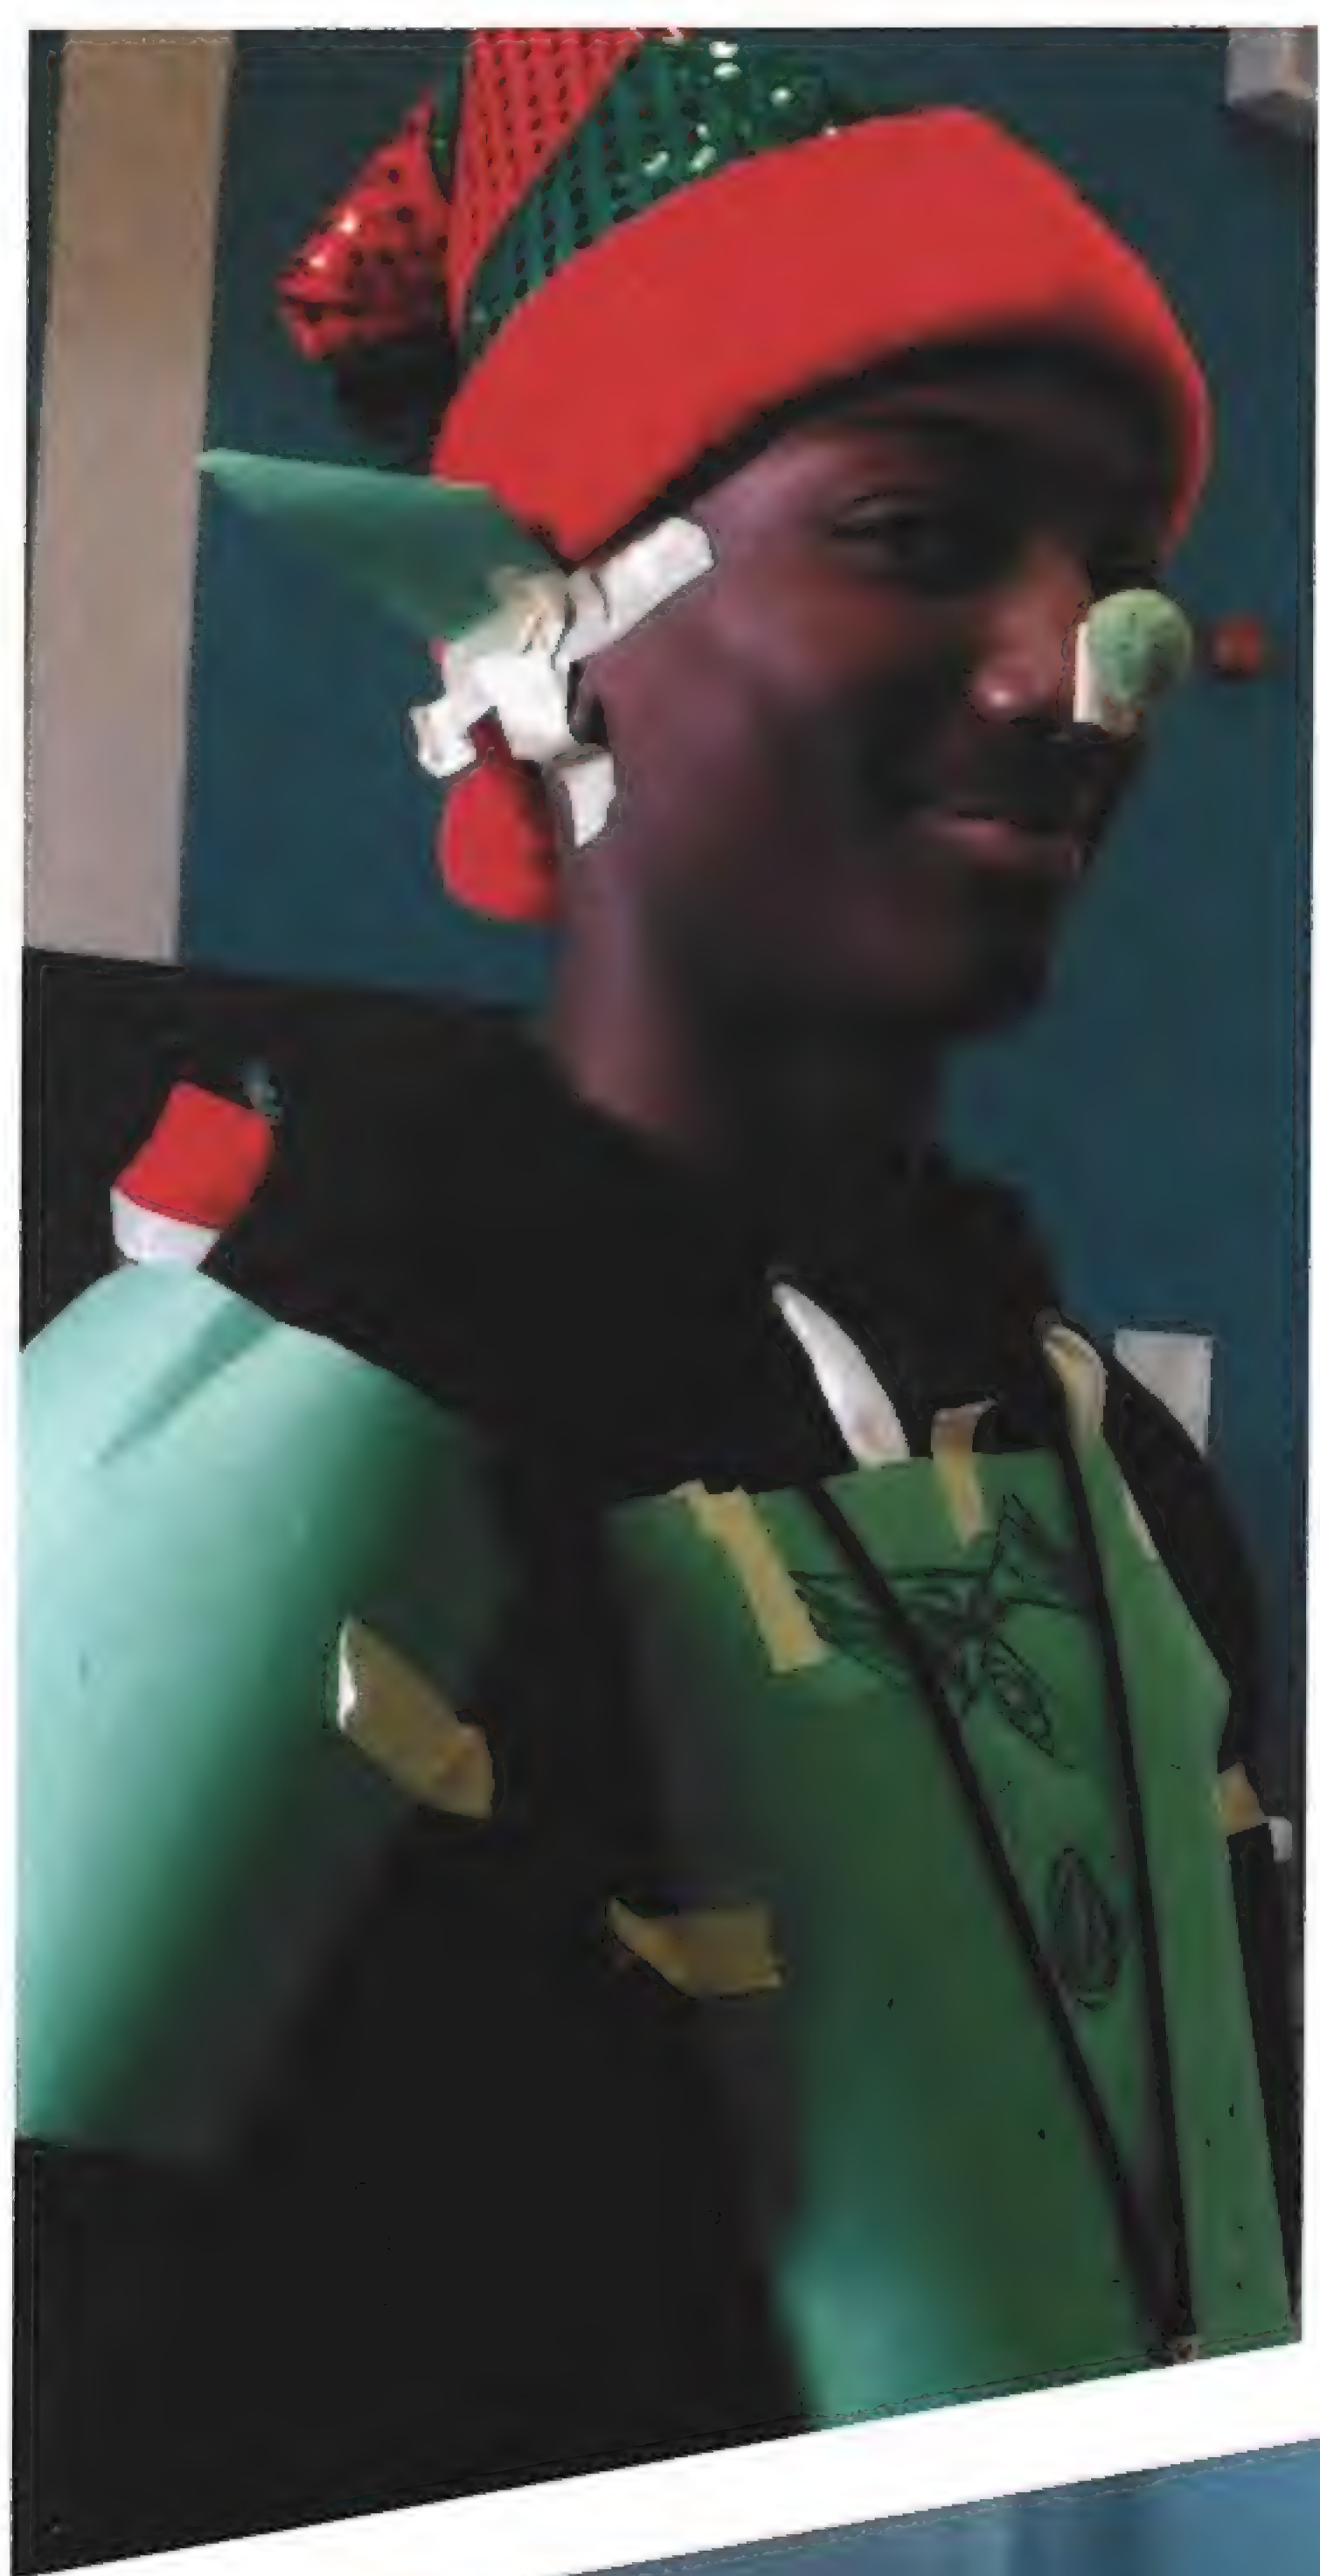

# YOU ARE NEVER FORGOTTEN

On the eleventh hour of the eleventh day of the eleventh month, *we remembered together*. Our freedom will never be taken for granted. We will always remember those who have fallen to protect our freedom. In our hearts. In our thoughts.

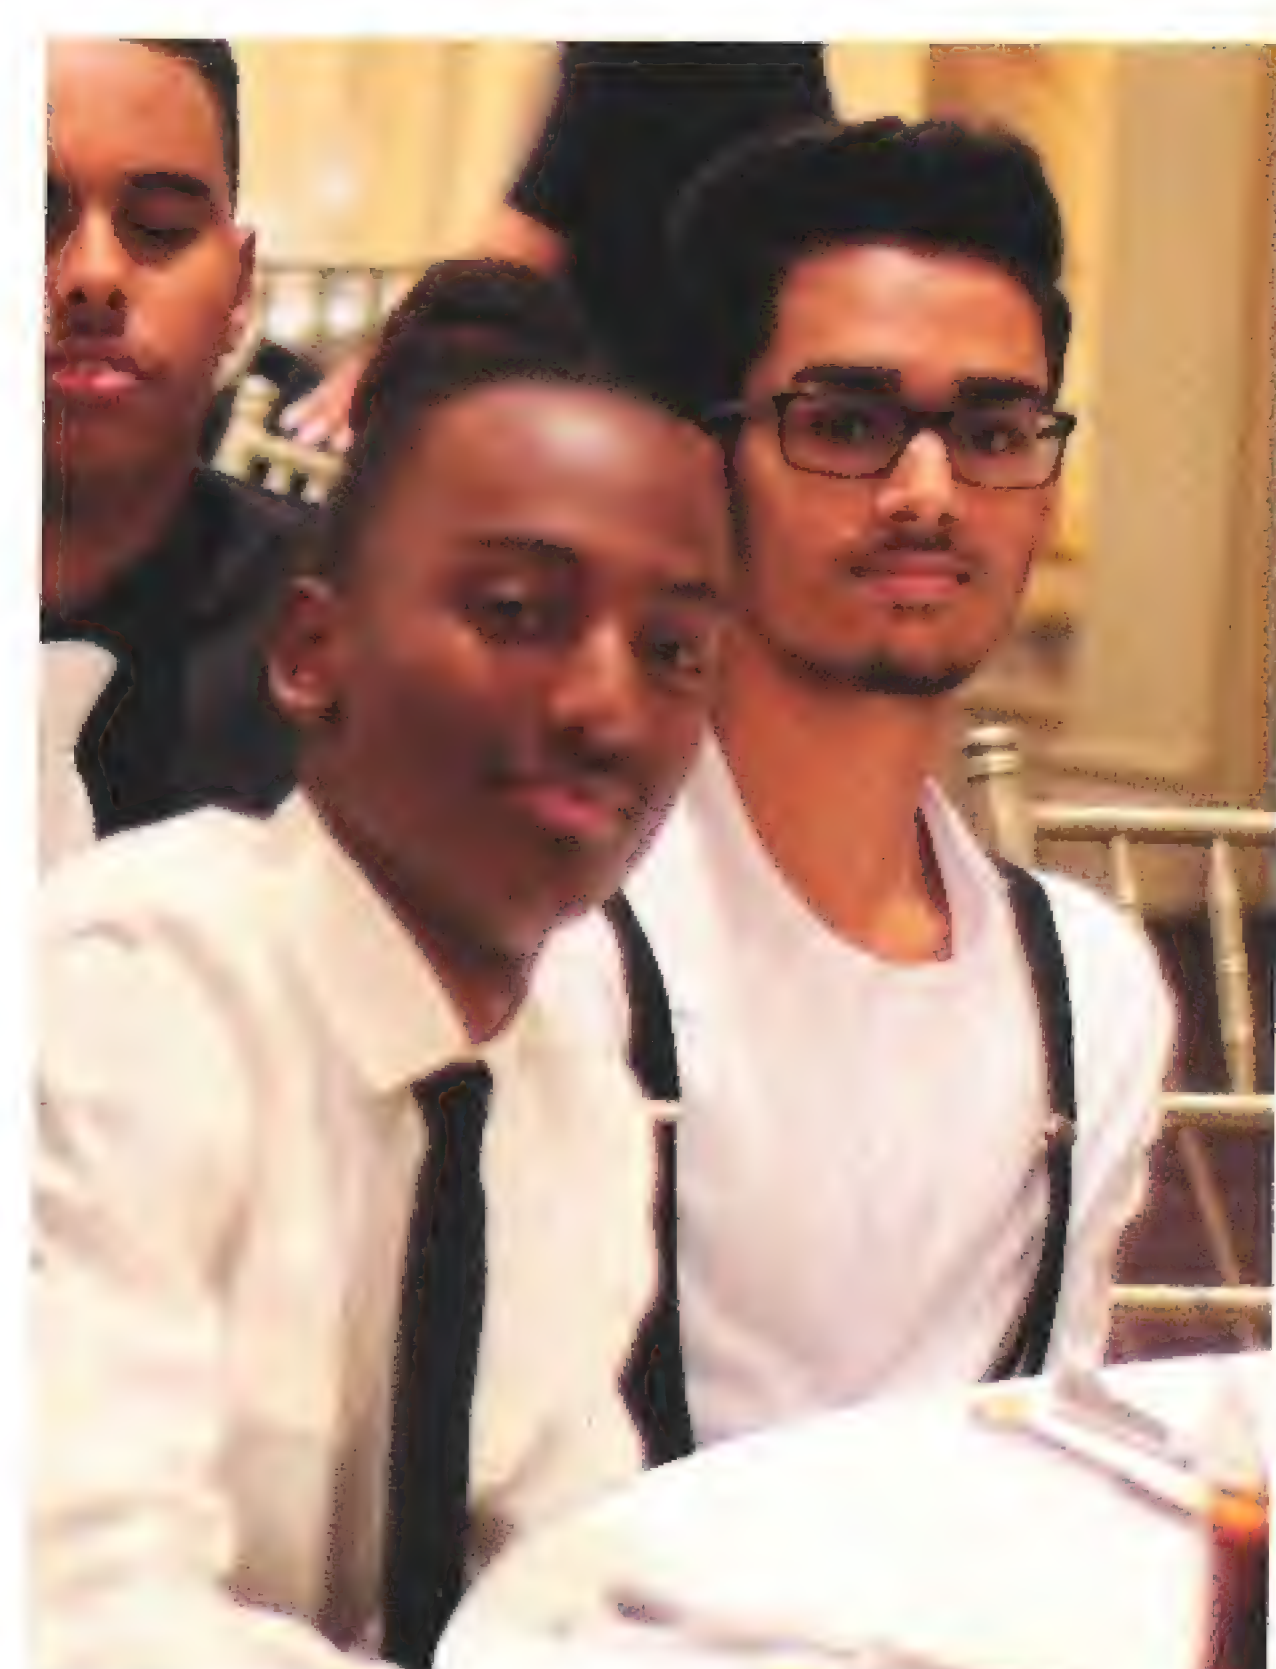

# IT'S THE SEASONS!

**It definitely was a time for giving!** We know how to do the holidays. It's all about the giving. Food drives, toy drives and volunteering at a local grade school. Our students gave, and did not expect to receive.

# SHOW & TELL

What can't you live without throughout the day?

Maria & Nicole are all about their devices!

Tyrell is keeping it real the only way he knows how!

It's all about the ride! Jehliel's not being lazy just more efficient!

Ayesha and her keys are loud & colourful!

Nicholas & his swim gear are inseparable.

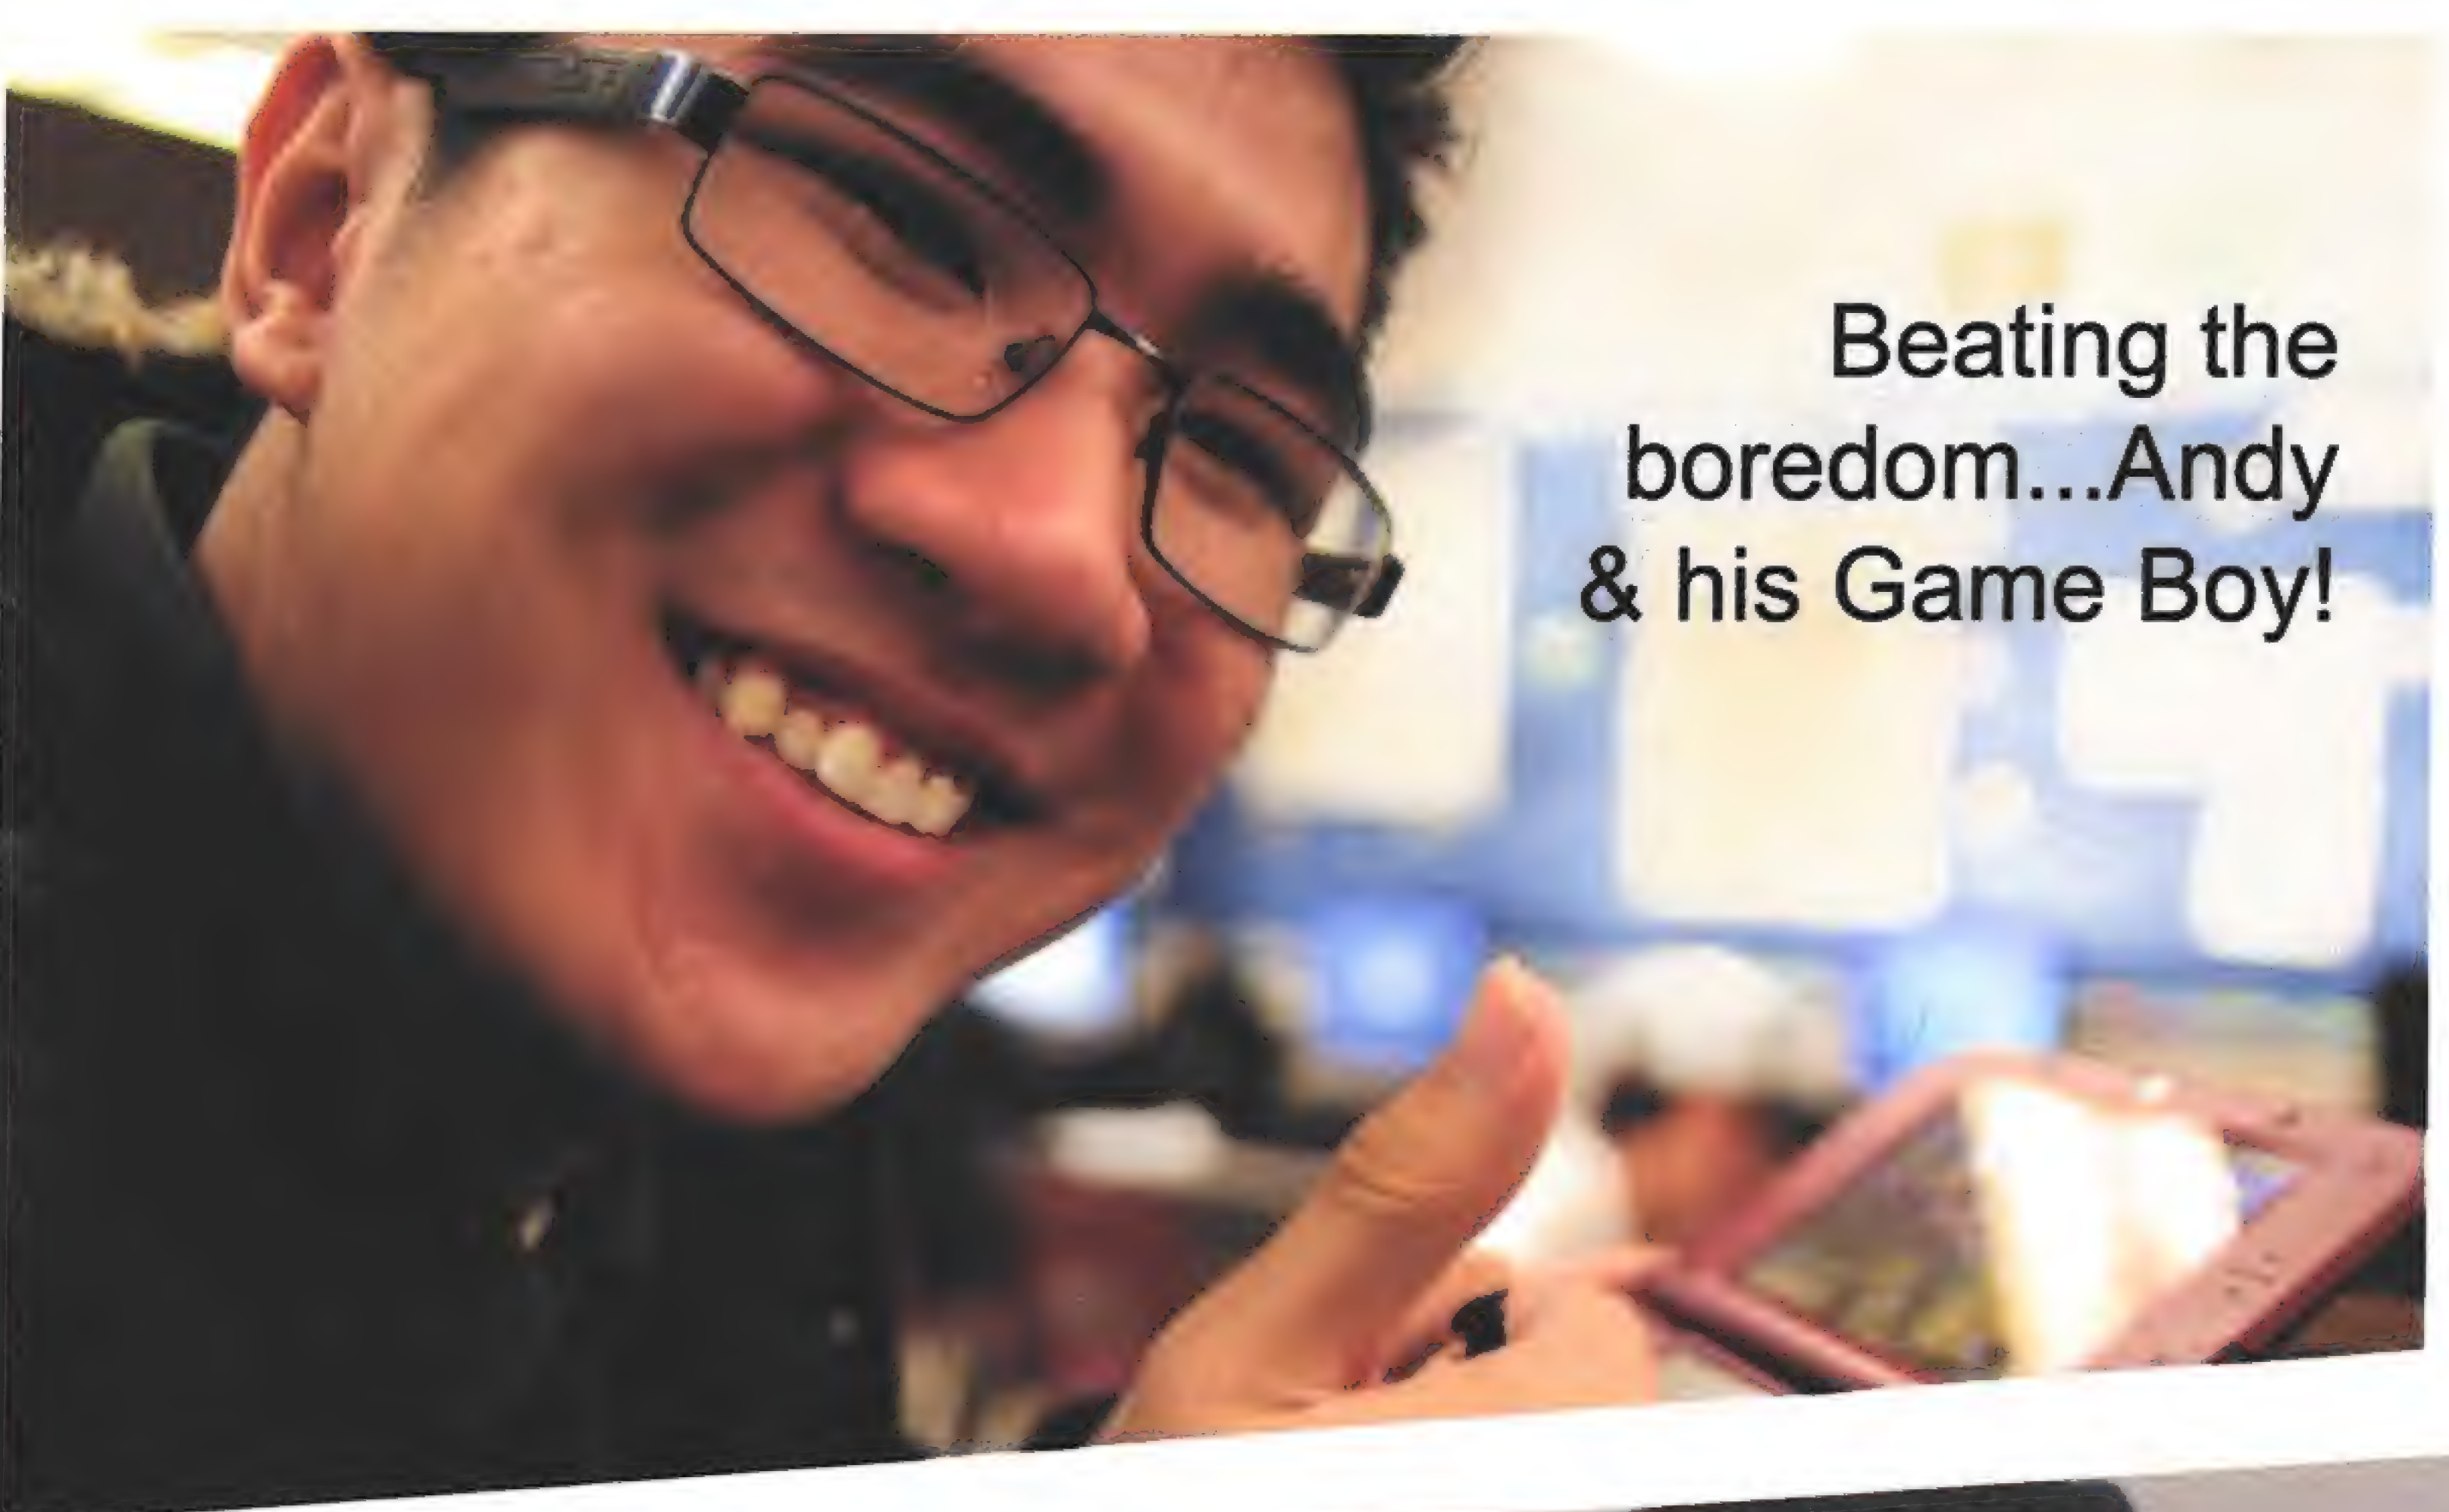

Keeping the hair looking good!

Is it a magic trick? Or a good way to spend time with friends.

Beating the boredom...Andy & his Game Boy!

Eleni & Jasmine, expressing their friendship.

William shows his support on the daily!

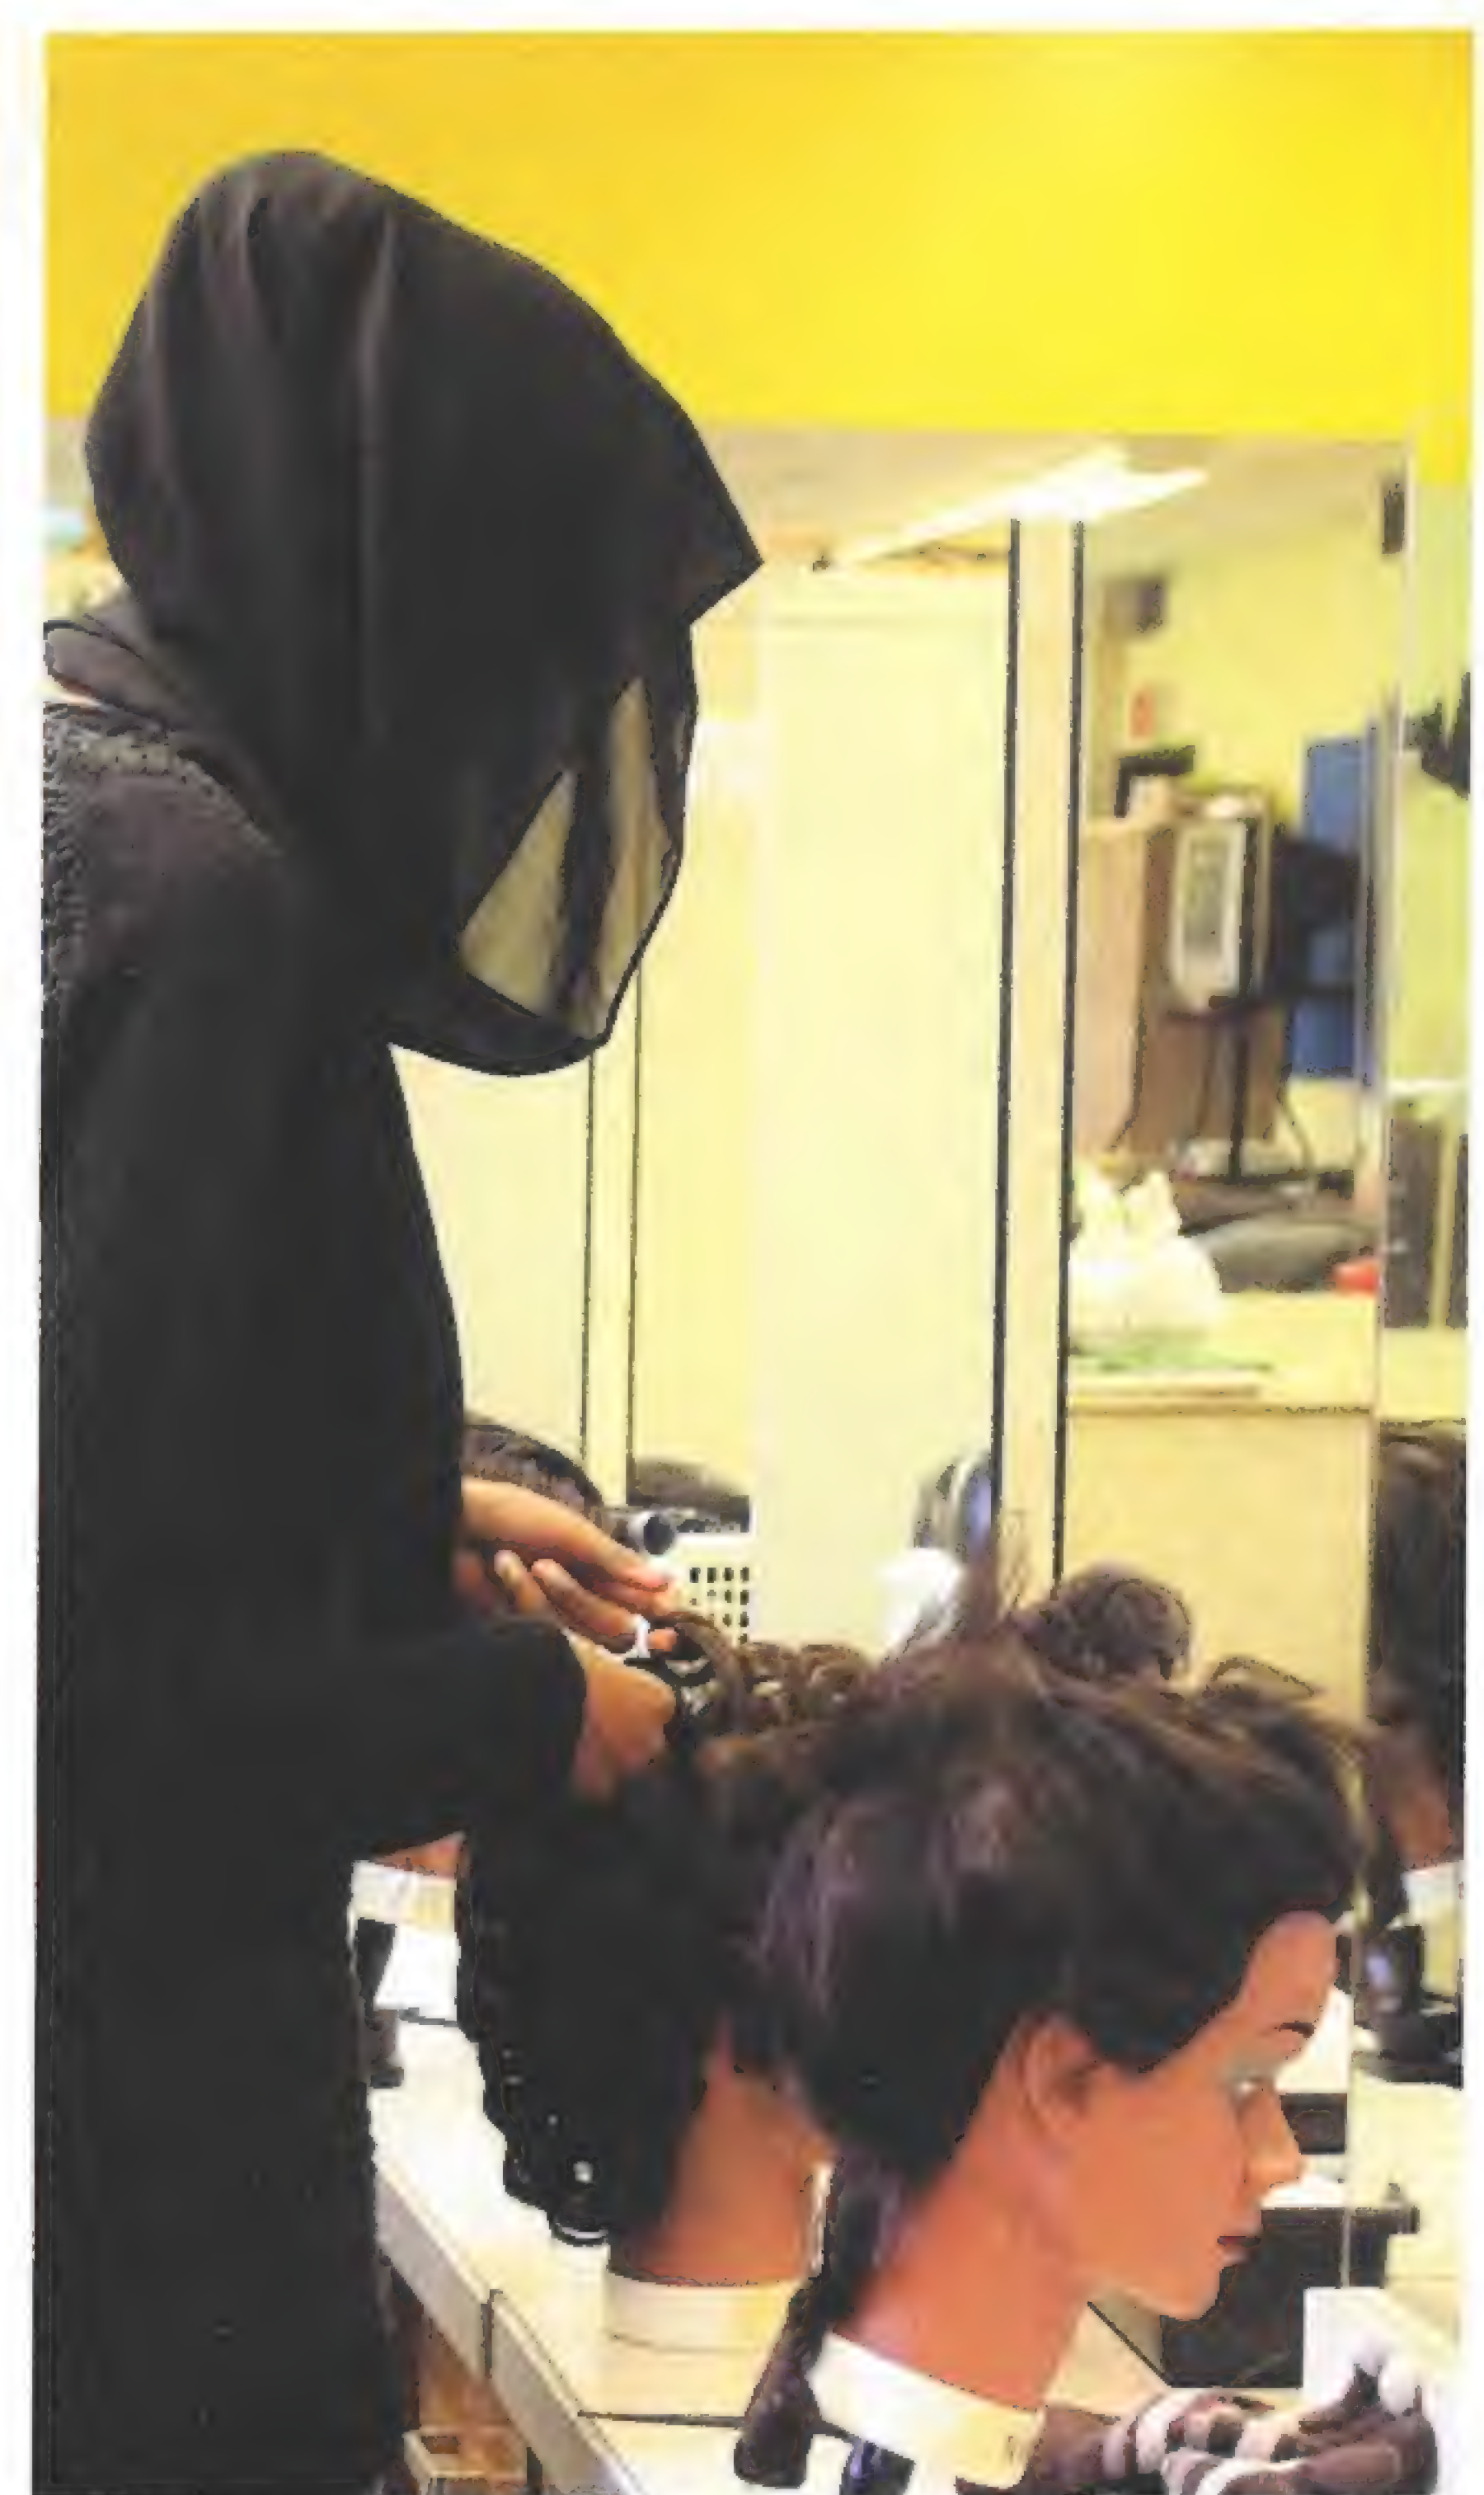

Jermaine is trying to win the battle against ashiness!

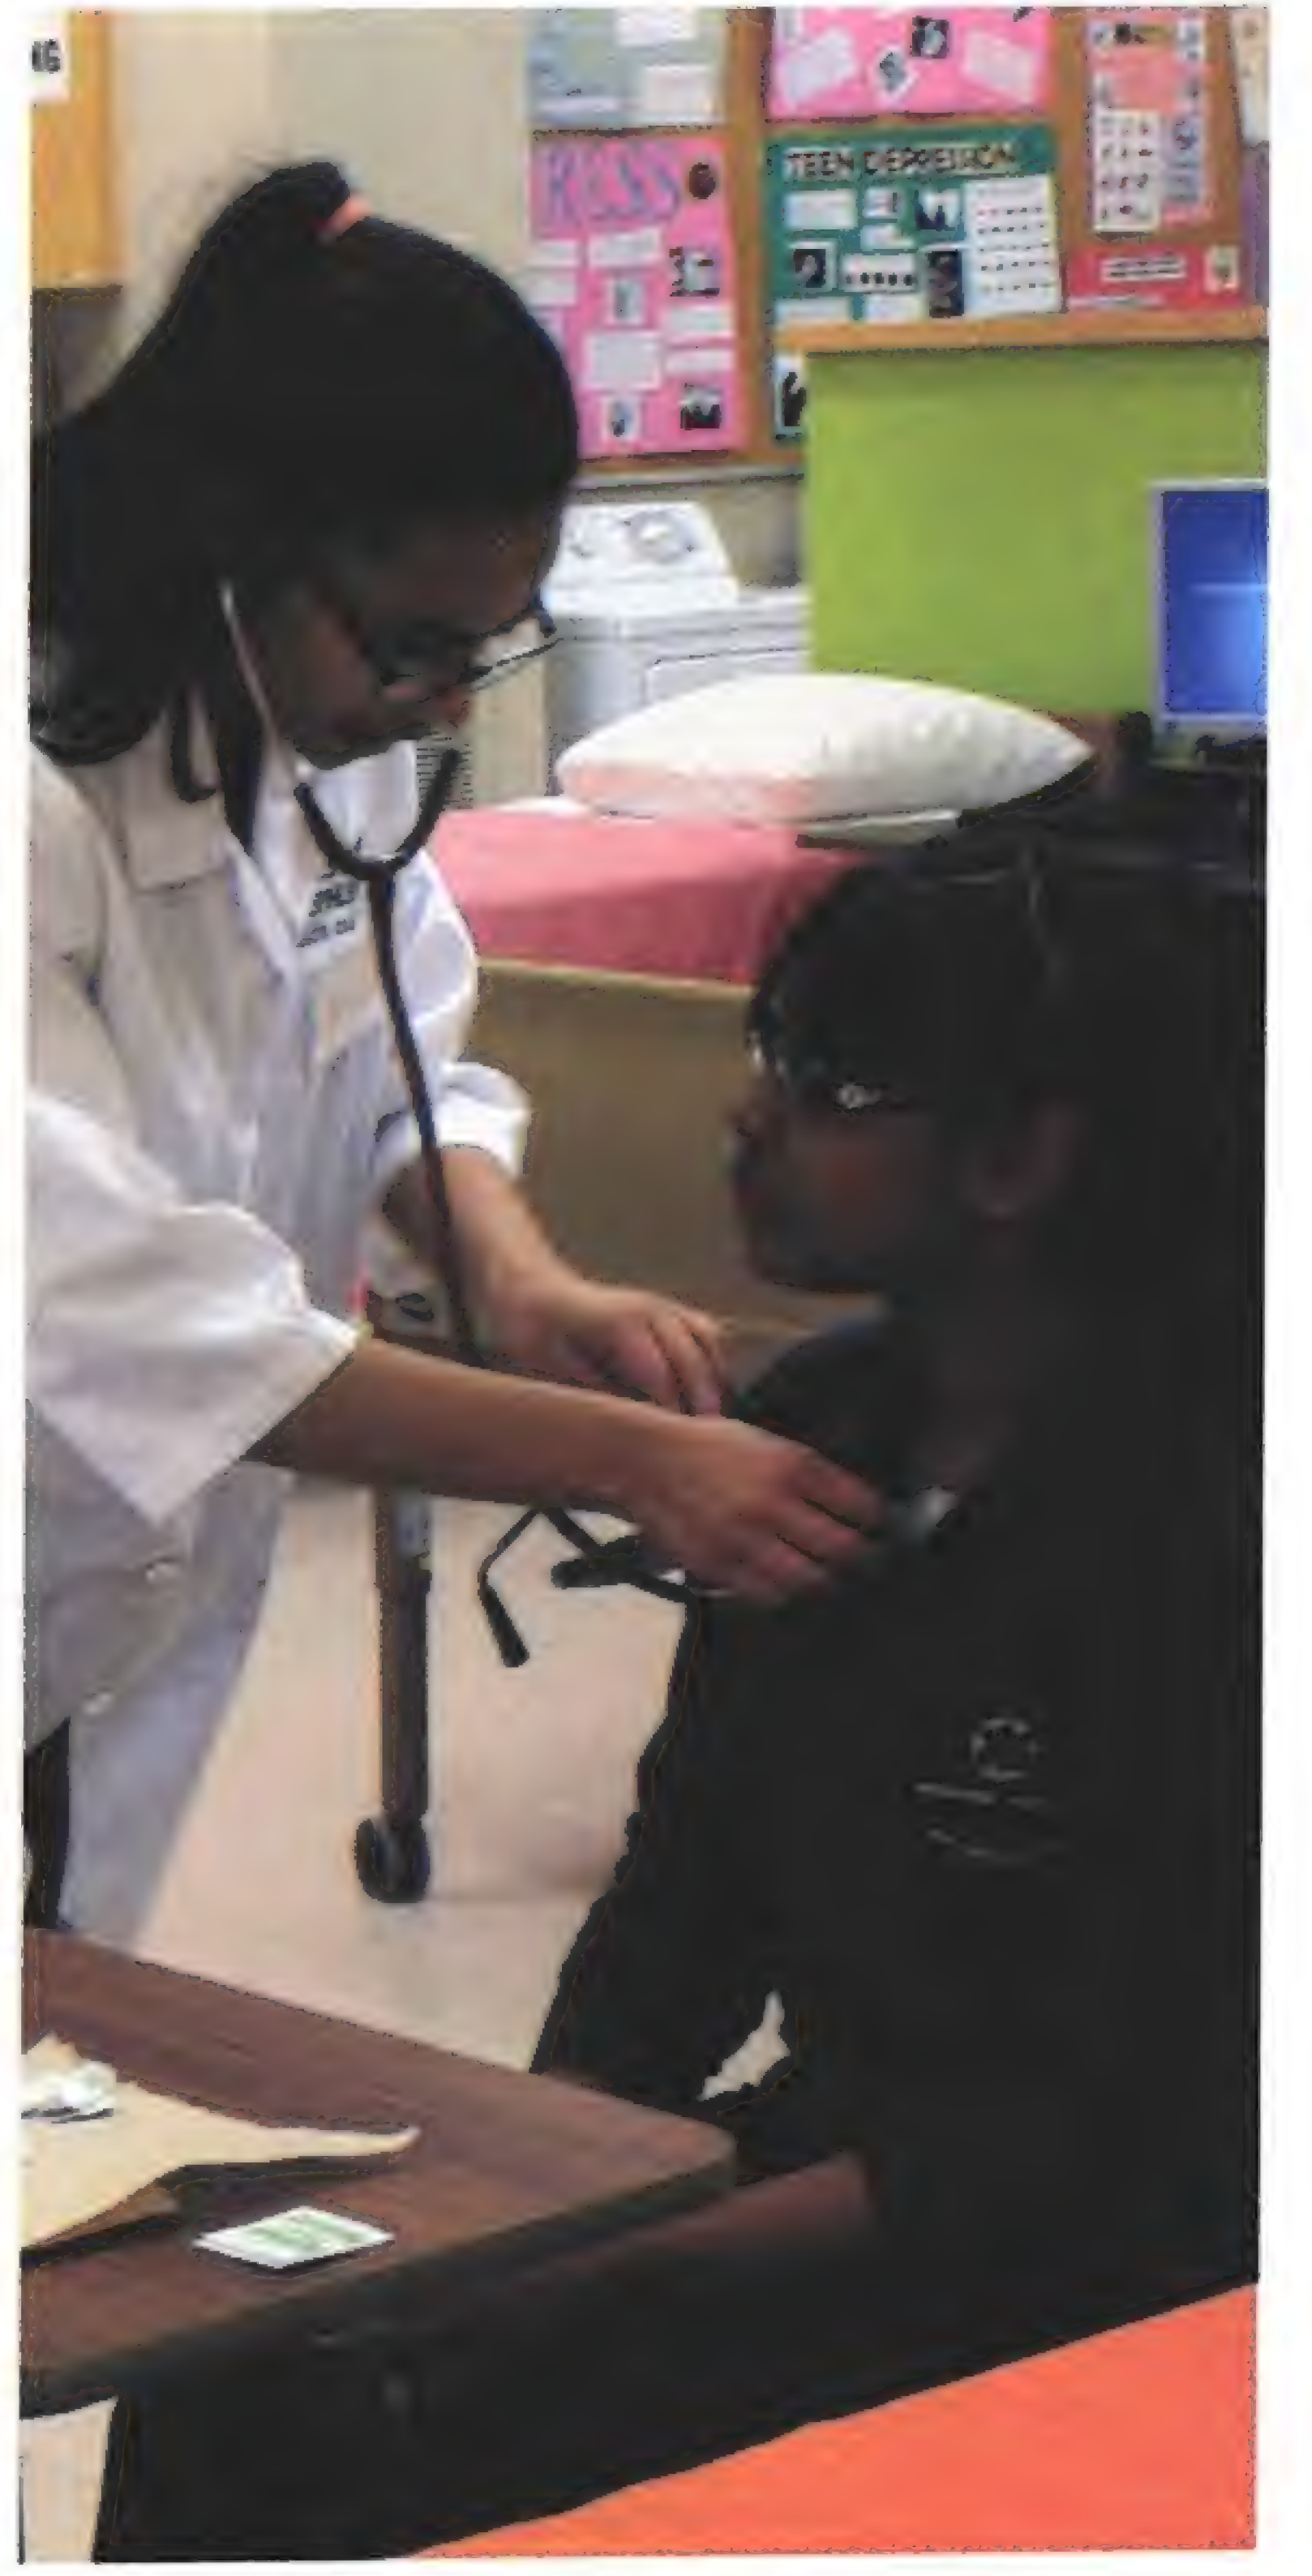

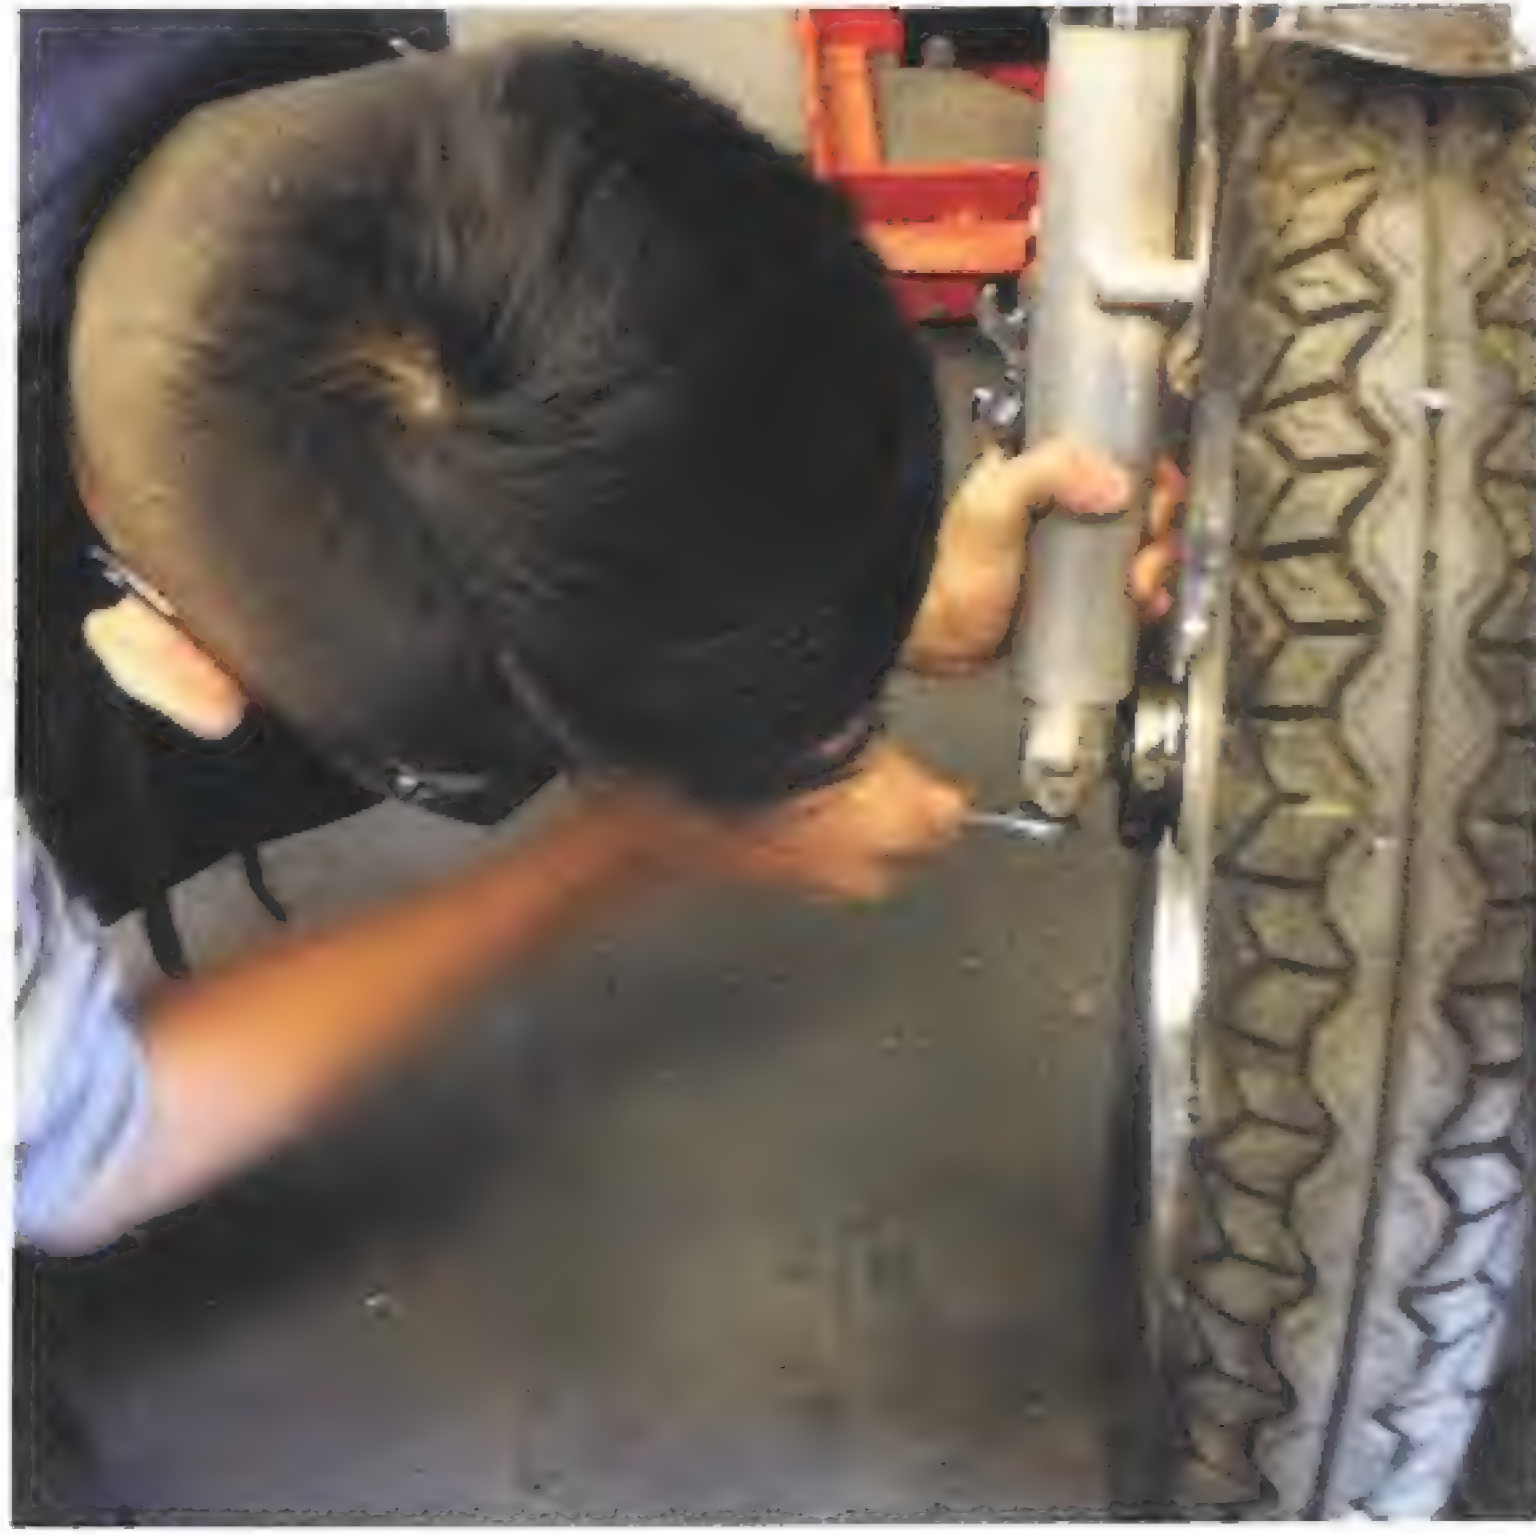

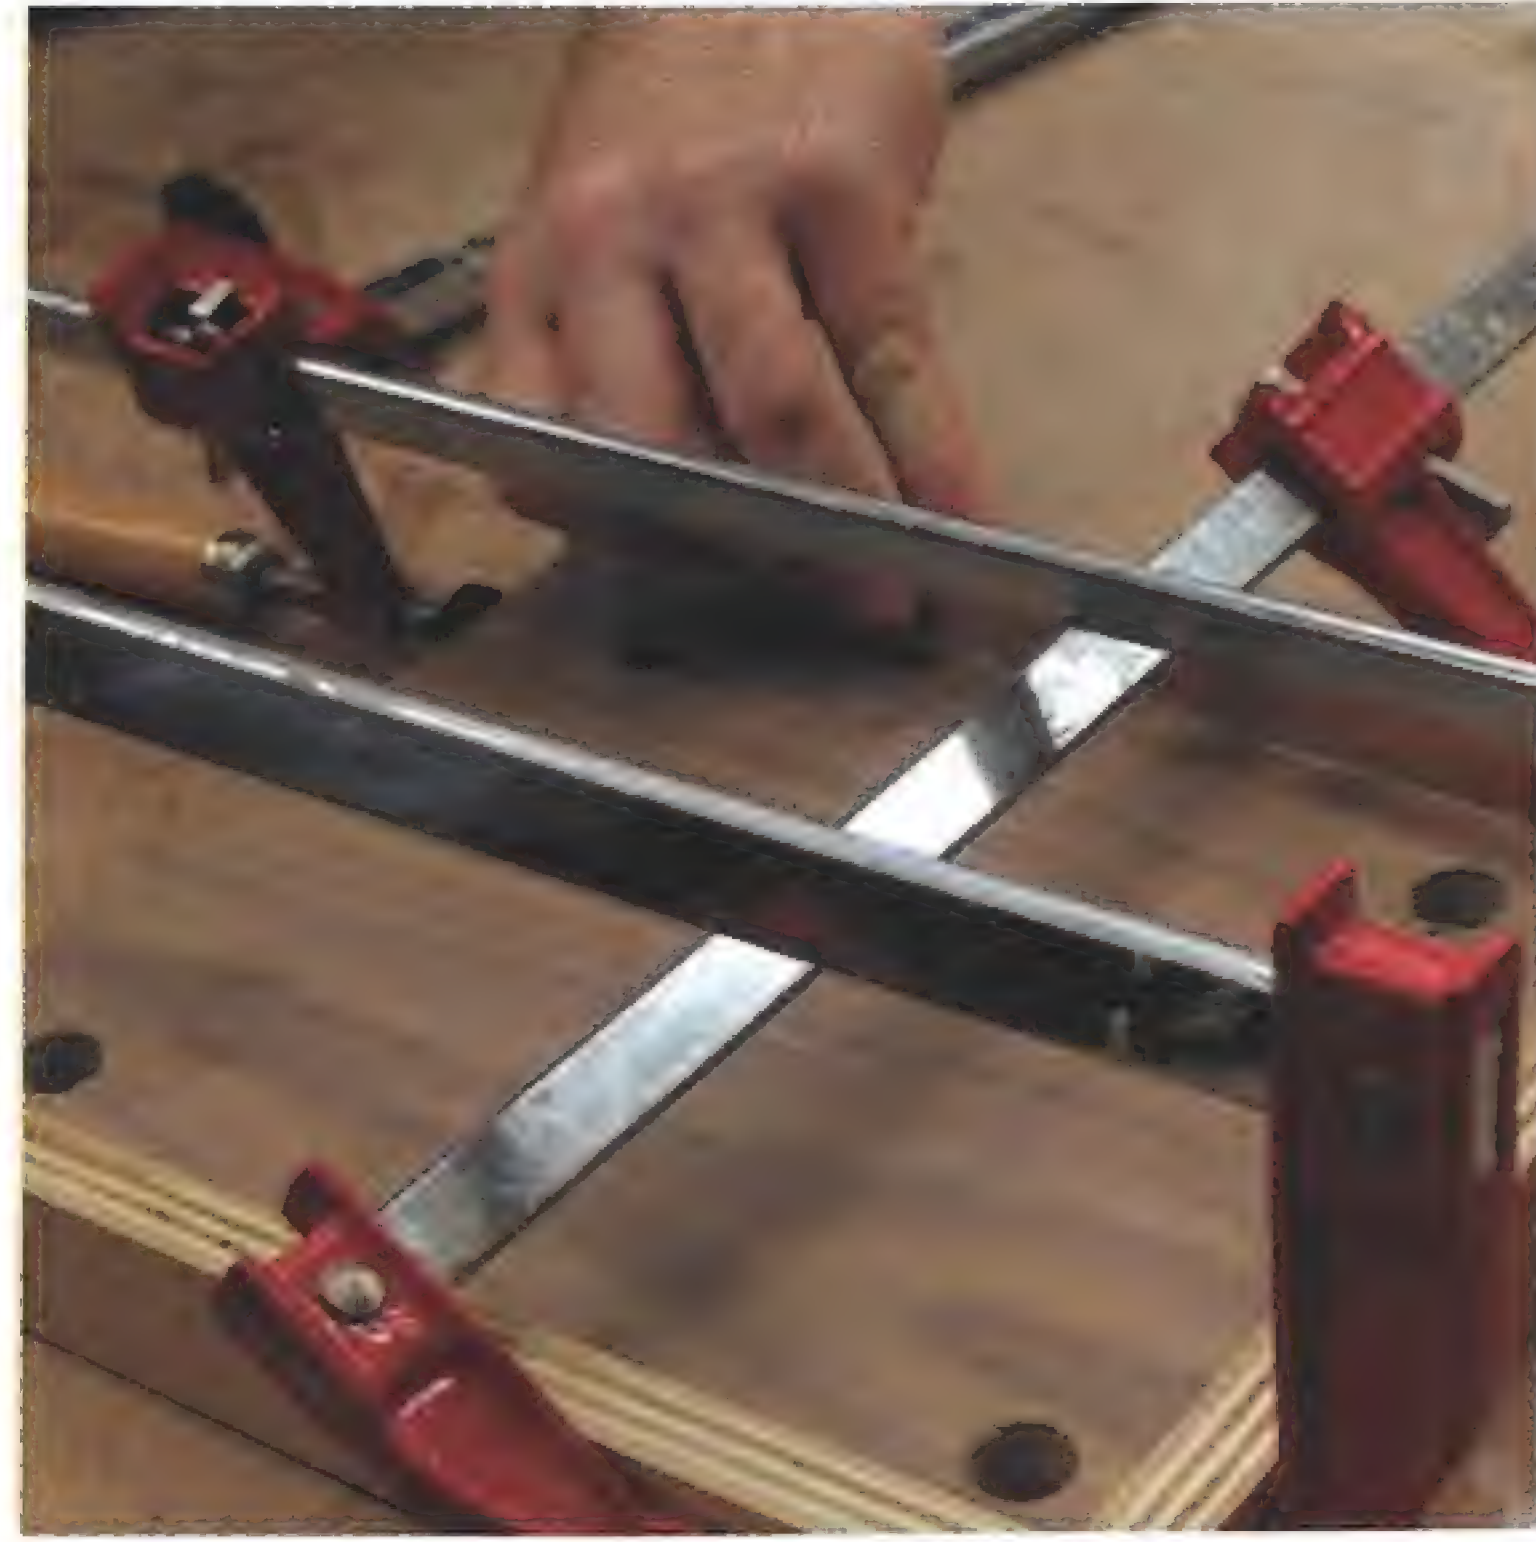

# GETTIN' IT DONE IN TECH

Do it. Build. Fix it. Roll up your sleeves and get the job done! Tech is a place where you can learn by doing. Projects are based on learning real, hands-on skills and then applying those skills. In class students have built robots, made computer animations, changed tires, baked delicious meals, designed fashion forward clothes, carved wood & cared for the human body. *Sign me up!*

Luis came to my LEAP class last year after leaving El Salvador to be with his father in Canada. During our initial interactions we learnt many Spanish words together but now the sweetest memory is his kind smile that meant so much to everyone in the class. It was his first winter in Canada and a sunny -26°C morning deceived him and when he entered the class frozen red without a jacket I literally ran to the office for help. Immediately Mr. Berto brought a Westview Hoody for Luis and Ms. Scobie gave money to MooMoo to take Luis for shopping. He came back smiling wearing his new blue jacket.

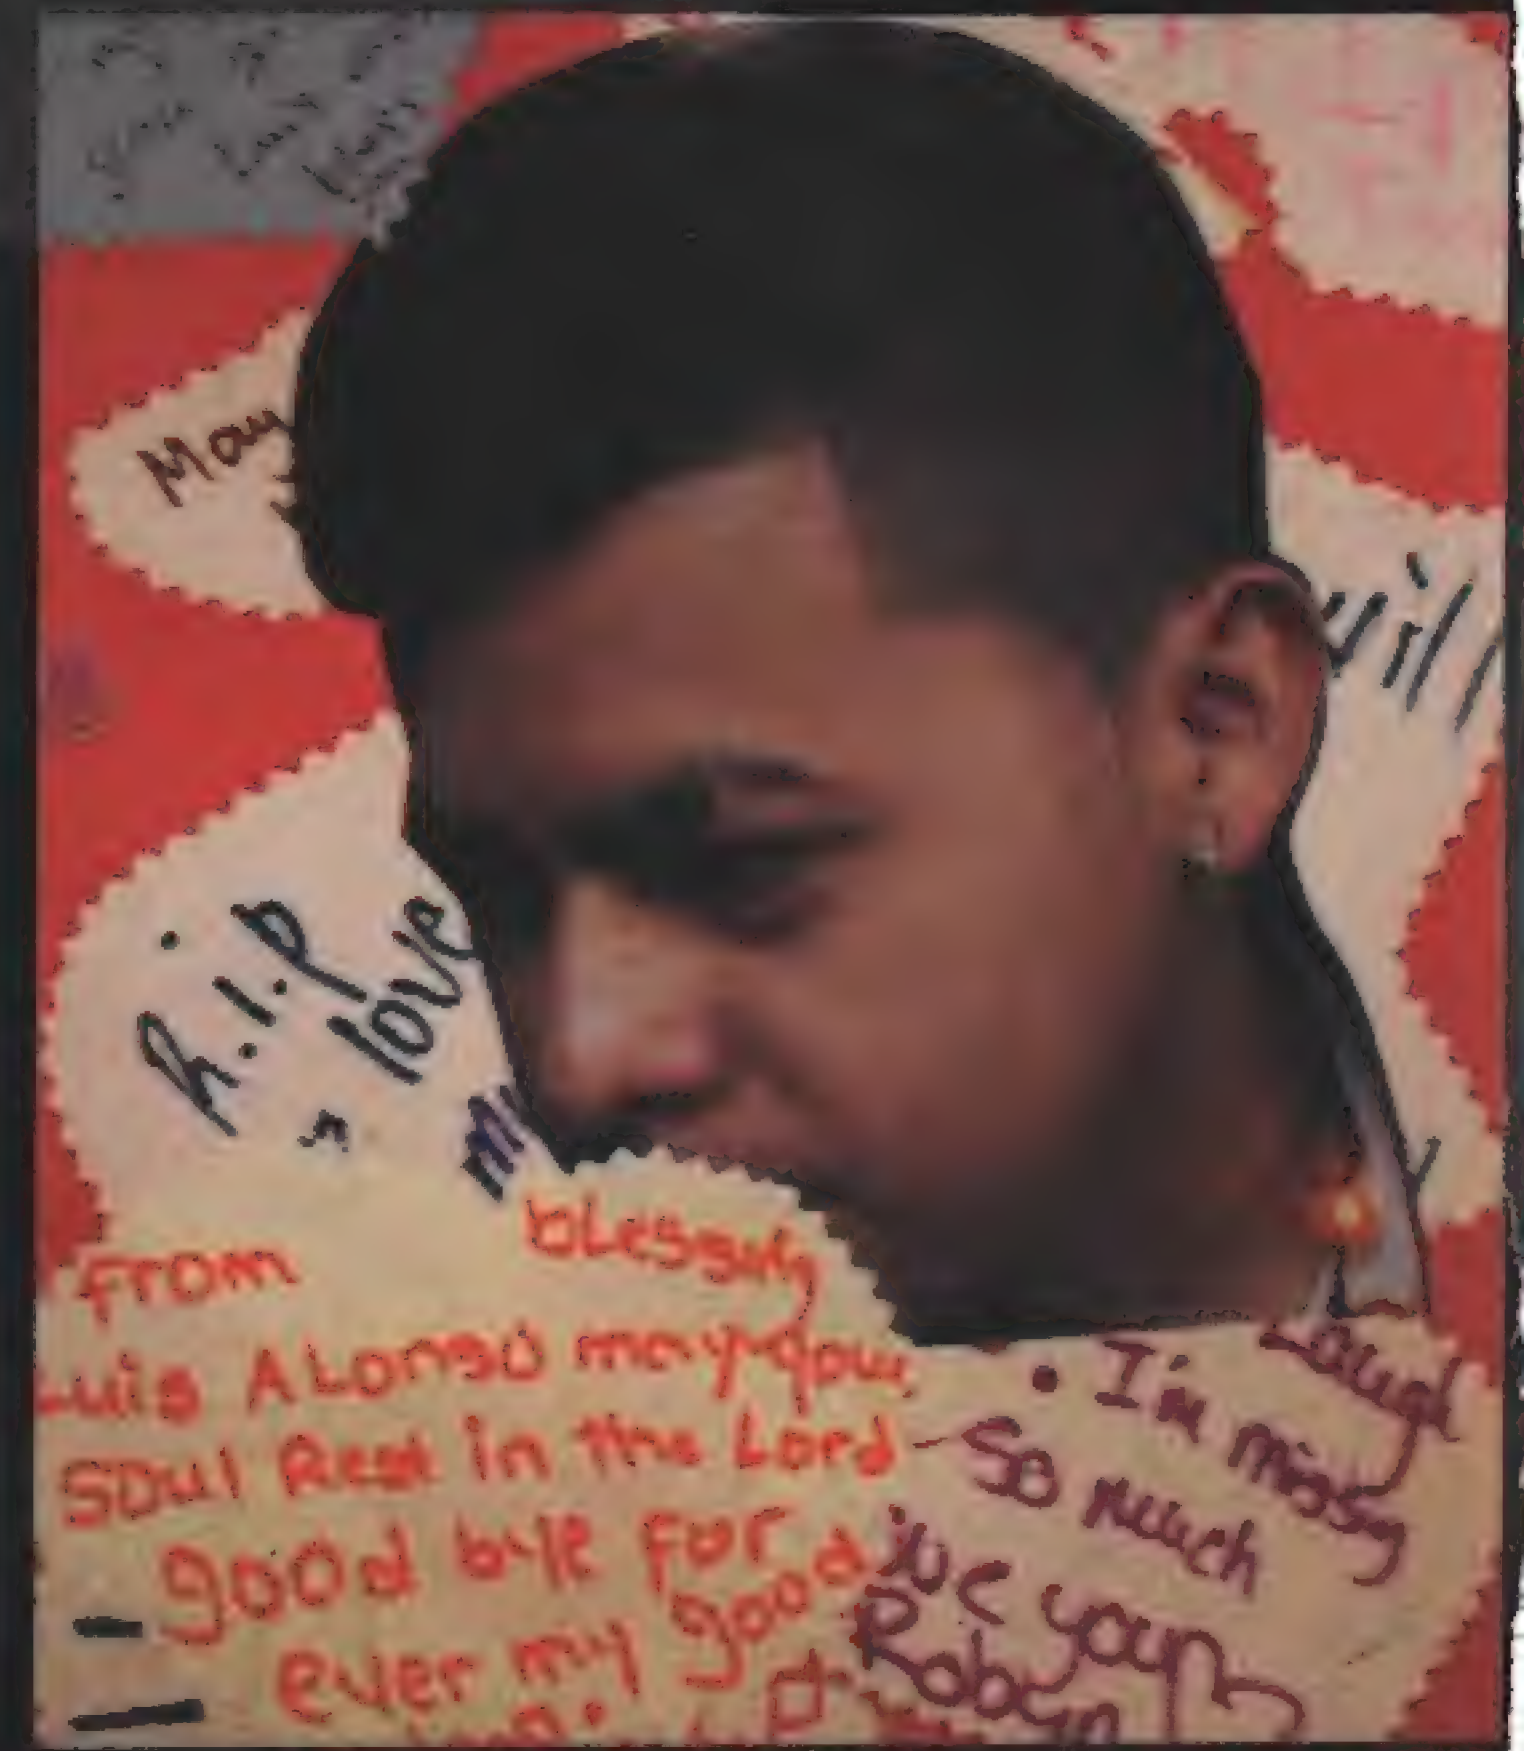

Luis's short journey in Canada was a happy one, and he was very well received by his classmates. Soon we found out that this left handed student was an amazing artist. He was all about drawings. He was using pictorial depictions with amazing clarity to complete his assignments. Soon his classmates and friends, especially art students, would come to him for help complete their projects, which he used to do with a smile. Often his friends will come back saying they got 90% on their project, and I would tease them by saying "you mean Luis got 90% on your project." Clearly, Luis was a self taught savant and as he has told us he developed this artistic gift by drawing on sandy beaches of El Salvador with no more than wooden sticks.

Sadly, we lost him as a victim of violence during his trip back to El Salvador in November last year. We all loved him and we will always remember him and miss him. GOD BLESS YOU LUIS. GOOD BYE FROM ALL YOUR FRIENDS AT WESTVIEW CENTENNIAL.

-Ms. Ahmad
